Brief Title: Protecting student prayer.

HB 1600 - DIGEST

Establishes the right of an individual student to engage in student-led prayer at graduation ceremonies, athletic events, school assemblies, and other school-related activities and events when the prayer is student-initiated and presented in a nondisruptive manner. Teachers have the right to pray with students upon request by a student in the event of a disaster, serious crisis, or emergency involving the student or other person, the school, the community, the state, or the country, or involving another student, school, community, state, or country.
