Brief Title: Weighting votes on PTBA boards.

**HB 2118 - DIGEST**

Declares that the votes of the designated representatives of the component county, or counties if the area includes portions of more than one county, and each of the cities are to be weighted, based upon the determination of population filed with the secretary of state by the office of financial management the July 1st before the review meeting. The population of only the unincorporated portion of the county is to be considered for purposes of weighting the voting of the county representatives.

Requires that evidence of appropriate action by ordinance, resolution, or otherwise, pursuant to the law of the legislative bodies of the component county, or counties if the area includes portions of more than one county, or cities must be submitted to the public transportation benefit area authority before the designated representative or elected official may serve.
