

2542-S

Sponsor(s): House Committee on Education (originally sponsored by Representatives Keiser, Talcott, Santos, Radcliff and Rockefeller)

Brief Description: Requiring alternative education providers operating under contracts with school districts to receive a minimum amount of state general fund moneys generated per student.

**HB 2542-S - DIGEST**

(AS OF HOUSE 2ND READING 2/09/00)

Amends RCW 28A.150.305 to provide that school districts that contract with alternative education providers as permitted under this act shall provide to the contractor an amount per contracted student of at least eighty-five percent of the state general fund moneys generated by that student under RCW 28A.150.250 and 28A.150.260.
