

3037

Sponsor(s): Representatives Romero and D. Schmidt; by request of Washington State Patrol

Brief Description: Modifying missing persons record retention policies.

**HB 3037 - DIGEST**

Provides that, after conferring with the coroner or medical examiner, the sheriff, chief of police, or other law enforcement authority shall submit a missing person's report and the dental records received under this section to the dental identification system of the state patrol identification, child abuse, vulnerable adult abuse, and criminal history section on forms supplied by the state patrol for such purpose.
