Brief Description: Requiring rules adopted under the shoreline management act to be consistent with definitions in the shoreline management act.

SB 5245 - DIGEST

Declares that no rule adopted by the department or by any local government may be construed to change the definitions in RCW 90.58.030. In the event that any rule by the department or by a local government conflicts with the criteria in RCW 90.58.030, the criteria shall control.
