Brief Description: Reporting the salary survey of ferry employees.

SB 5502 - DIGEST

(DIGEST AS ENACTED)

Requires a report of the salary survey of ferry employees.

Provides that, salary and employee benefit information collected from private employers that identifies a specific employer with the salary and employee benefit rates which that employer pays to its employees is not subject to public disclosure under chapter 42.17 RCW.

Provides that a person or entity, having reason to believe that the salary survey results are inaccurate, may submit a petition to the state auditor requesting an audit of the data upon which the salary survey results are based. The state auditor shall review and analyze all data collected for the salary survey, including proprietary information, but is prohibited from disclosing the salary survey data to any other person or entity, except by court order.
