Brief Description: Allowing certain certified individuals to perform work of a legal nature for compensation.

SB 6085 - DIGEST

Provides that any person may perform work of a legal nature for compensation, or represent himself or herself if that person has been certified to perform such work of a legal nature. Such legal work may include advice to individuals involved with domestic relations issues, traffic violations, small claims matters, and other legal matters not involving criminal charges or tort actions exceeding thirty-five thousand dollars or personal injury. Furthermore, such work may include the completion of forms necessary or required by the courts.
