Brief Description: Authorizing treasurer services for conservation districts.

SB 6219 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that the treasurer of the county in which a conservation district is located is ex officio treasurer of the district. However, the board of supervisors by resolution may designate some other person having experience in financial or fiscal matters as treasurer of the conservation district. The board of supervisors may require a bond, with a surety company authorized to do business in the state of Washington, in an amount and under the terms and conditions which the board of supervisors by resolution from time to time finds will protect the district against loss. The premium on this bond shall be paid by the district.
