Brief Description: Clarifying the definition of "tourism-related facility."

**SB 6732 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Revises the definition of "tourism-related facility" in RCW 67.28.080 to accommodate the impact of tourist activities in municipalities made up entirely of islands or in municipalities that have a population of less than five thousand, to allow these municipalities to augment or redesign the infrastructure impacted by tourist activities. For the purposes of this section, "infrastructure" means bathroom facilities, and water and sewage treatment systems.
