Brief Description: Requiring gubernatorial approval of nonemergency rules.

SB 6852 - DIGEST

Declares that, before a nonemergency rule adopted by an agency becomes effective, the agency must present it to the governor. If the governor approves the rule, the governor shall sign it and file it in the office of the code reviser. If the governor does not approve the rule, the governor shall return it to the originating agency with objections, and the rule will not take effect. If the governor does not sign a rule within twenty days after its presentment by the agency, Sundays excepted, the rule will not take effect.
