5 Strike everything after the enacting clause and insert the 6 following:

7 "NEW SECTION. Sec. 1. The legislature finds that the rules 8 adopted in 1990 in response to the passage of the federal forest 9 resources and conservation and shortage relief act did not provide any 10 mechanism to allow for any changes to these rules to reflect changes in The legislature also finds that no state statutory 11 federal law. authority exists for these rules, and that the rules lack the authority 12 to impose civil penalties. The legislature further finds that the 13 state of Washington has broad discretion to develop a state timber 14 15 sales program to implement the federal act, including the discretion to 16 impose, modify, or eliminate substitution restrictions on unprocessed timber harvested from public lands. 17

The legislature finds that the state of Washington and its political subdivisions sell large amounts of timber from their public lands. Revenues from those timber sales are used to support school construction, benefit the state's higher education institutions, and provide assistance to other trust beneficiaries. The legislature is concerned with the declining revenues that are being generated for these trusts, and at the amount of timber that is being harvested from public lands in Washington but being processed outside of the state.

It is the legislature's intent to provide more flexibility in the operation of the timber substitution rules in order to increase the potential amount of money that can benefit the trusts, provide mills within Washington state with a more certain wood supply, give necessary rule-making authority to a state agency to adopt necessary changes to the timber substitution rules, and to statutorily authorize the timber substitution rules.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

- 1 (1) "Agency" means the state, its agencies or instrumentalities, or 2 unit of local government that owns or manages land from which timber is 3 harvested in the state of Washington.
 - (2) "Department" means the department of revenue.
- 5 (3) "Export" means either to load on a conveyance or vessel or put 6 in a log raft with the intent to ship to a foreign destination, or to 7 place at a facility such as a port, yard, pond, or dock with the intent 8 to load on a conveyance or vessel or put in a log raft for shipment to 9 a foreign destination.
- 10 (4) "Export restricted timber" means unprocessed timber originating 11 from a sale of timber from public lands that has been designated as 12 export restricted under section 3 of this act, and includes both logs 13 and stumpage originating from such a sale.
- (5) "Federal forest resources conservation and shortage relief act" or "act" means the federal forest resources conservation and shortage relief act of 1990 (16 U.S.C. Sec. 1620 et seq.) as now or hereafter amended.
- 18 (6) "Person" means any individual, partnership, corporation, 19 association, or other legal entity and includes any subsidiary, 20 subcontractor, parent company, and business affiliates where one 21 affiliate controls or has the power to control the other or when both 22 are controlled directly or indirectly by a third person.
- (7) "Processing facility" means a facility for converting unprocessed timber into any of the items of processed timber as defined by the department by rule. Chip plants, pulp mills, and facilities that process only western red cedar products are not considered processing facilities.
- (8) "Public lands" means lands in the state of Washington that are held or owned by the state of Washington, an agency or instrumentality of the state, or unit of local government within the state.
- 31 (9) "Purchaser" means a person who has been awarded a timber sale 32 contract to harvest or acquire export restricted timber from public 33 lands in the state of Washington.
- (10) "Substitution" means the purchase of export restricted timber or possession of an active sale contract for export restricted timber:

 (a) By a person who owns and operates a domestic processing facility within the United States; (b) where the person owning the processing facility also exports or sells for export from the United States unprocessed timber originating from private lands in Washington,

- 1 Oregon, or Idaho; and (c) where the lands are owned by the person, or
- 2 the person has exclusive rights to harvest timber from the lands, where
- 3 the rights may be exercised at any time during a period of more than
- 4 seven years.
- 5 (11) "Unit of local government" means any county, city, town,
- 6 special district, municipal corporation, or quasi-municipal corporation
- 7 in the state of Washington.
- 8 (12) "Unprocessed timber" means trees or portions of trees or other
- 9 roundwood not processed to standards and specifications suitable for
- 10 end product use. Unprocessed timber does not include timber processed
- 11 into any one of the exemptions contained in section 620e(9)(B) of the
- 12 federal forest resources conservation and shortage relief act from the
- 13 federal definition of unprocessed timber.
- 14 <u>NEW SECTION.</u> **Sec. 3.** Each agency managing public lands subject to
- 15 this chapter must designate its timber sales as export restricted until
- 16 such time as the restrictions are changed. An order issued by the
- 17 secretary of commerce of the United States remains in effect until
- 18 revised by order of the secretary.
- 19 <u>NEW SECTION.</u> **Sec. 4.** (1) No person may export from the United
- 20 States export restricted timber. No person may sell, trade, exchange,
- 21 or otherwise convey export restricted timber to any other person for
- 22 the purpose of export from the United States.
- 23 (2) Except as specifically provided under this chapter:
- 24 (a) No person may purchase or possess an active contract for export
- 25 restricted timber from an agency if the person owns and operates a
- 26 processing facility and the processing of export restricted timber at
- 27 the facility by such a person would constitute substitution;
- 28 (b) No person may purchase from another person export restricted
- 29 timber if the person is prohibited under (a) of this subsection from
- 30 purchasing the timber directly from the agency managing the public
- 31 lands from which the timber originated.
- 32 (3) The prohibition against substitution contained in subsection
- 33 (2) of this section shall have no more force or effect after June 30,
- 34 2012. Beginning on July 1, 2012, any person not subject to a debarment
- 35 penalty under this chapter may bid on export restricted timber in this
- 36 state.

- NEW SECTION. Sec. 5. The prohibition against substitution in 2 section 4 of this act does not apply to:
- 3 (1) The use of timber originating from public lands that is either 4 hardwood timber or western red cedar;
- 5 (2) The sale of up to twenty percent of the volume in any sale purchased in calendar year 2002 or thereafter to a person or persons 6 7 who are otherwise ineligible under section 4 of this act to purchase 8 export restricted timber, but only if the timber is processed at a 9 domestic facility. Hardwoods, western red cedar, and logs described in 10 subsection (4) of this section are not considered as part of the volume within a sale under this exemption. The transferor must notify the 11 department in writing of such a transaction prior to physically 12 transferring the timber to the transferee. Rights to purchase export 13 restricted timber under this subsection may be used on a sale-by-sale 14 15 basis and may not be accumulated or transferred to other sales. advertised volume or volume specified in the sale agreement must serve 16 17 as the basis for determining the sale volume to which the percentage 18 applies;
- 19 (3) The purchase by any person of export restricted timber 20 originating from public lands east of the crest of the Cascade mountain 21 range beginning from the Columbia river and running north to state 22 highway 20, east to the Okanogan river, and north to the Canadian 23 border, if such a person does not export or sell for export timber from 24 private lands in that geographic area;
- 25 (4) A log, regardless of gross scale, sold to a domestic processing 26 facility for the purpose of conversion into chips, pulp, or pulp 27 products;
- (5) The sale of timber for salvage or forest health, in which at least ninety percent of the volume of the sale consists of trees that have suffered damage from fire, insects, disease, wind, ice, volcanic, or other biological or geological event; or
- 32 (6) Situations that the department has determined constitute 33 exceptional circumstances so that the seven-year restriction contained 34 in section 2(10)(c) of this act, relating to a person's rights to 35 exclusively harvest timber from privately owned lands at any time 36 during a period of more than seven years, does not apply. The 37 department must make such determinations on a case-by-case basis.

- NEW SECTION. Sec. 6. An agency must accept bids from persons not 1 2 otherwise eligible to bid on sales of export restricted timber for the purpose of opening these bids on a contingent basis. Bids received 3 4 from otherwise ineligible persons may be opened only if the agency 5 receives less than three bids on the proposed timber sale from eligible bidders. Once opened, contingent bids are treated in the same manner 6 7 as if the bid had been received from a person who is eligible to bid on export restricted timber. If the agency does receive bids from at 8 9 least three persons who are eligible to bid on export restricted timber 10 sales, all contingent bids received by the agency must be returned to the bidder unopened. 11
- 12 NEW SECTION. Sec. 7. (1) The department must develop and issue uniform forms, including a primary purchaser certification form and a 13 14 transferee certification form, for purposes of submission under section 15 8 of this act. Each certification form must be signed and affirmed with a notification, conspicuously placed, that the making of a false 16 statement on the certification is punishable as a gross misdemeanor 17 18 under RCW 9A.72.040. The certification forms shall affirm, under 19 penalty of law, the truth of each of the following:
 - (a) That the timber, while still in unprocessed form, will not be:
- 21 (i) Exported by the purchaser or used in substitution by the 22 purchaser; or
- (ii) Transferred to any other person for the purpose either of export or to be used in substitution;
- (b) That hammer brands and paint applied to the timber as required by this chapter and by rule remain on the timber until it is domestically processed;
- (c) That prior to selling, trading, exchanging, or otherwise conveying any timber that is export restricted timber to any other person, the purchaser (transferor) must require the transferee to provide to the purchaser a signed copy of a completed transferee certification developed by the department; and that the purchaser must provide the department with one copy not later than five days after receipt from the transferee; and
- 35 (d) That the purchaser must not sell, trade, exchange, or otherwise 36 convey export restricted timber in violation of this chapter to any 37 person identified on the list of ineligible purchasers published by the 38 department under this chapter.

- The certification forms must also include all necessary provisions to account for exemptions allowed under section 5 of this act.
- 3 (2) Copies of all certifications and forms received by the 4 department must be available for public inspection at reasonable hours 5 and locations.
- 6 (3) In developing and implementing a program to audit compliance 7 with this chapter, the department may audit certifications or other 8 forms submitted by any person in order to ensure that the person is 9 able to account for the disposition of all export restricted timber 10 that the person has purchased from a public agency or received by means 11 of transfer from another person.
- NEW SECTION. **Sec. 8.** (1) Prior to issuing a contract for the sale of export restricted timber, an agency that has offered the timber for sale must require that the purchaser submit a signed copy of any completed certification forms developed by the department.
- (2) An agency must submit a copy of the purchaser's forms to the department no later than five days after the receipt of the purchaser's forms pursuant to this section. The agency must make copies of the reports available to the public at reasonable times and locations.
- (3) A person possessing export restricted timber must, prior to 20 selling, trading, exchanging, or otherwise conveying the timber to 21 22 another person, require the transferee to provide to the transferor a 23 signed copy of a completed transferee certification form developed by 24 the department. The transferee certification must include an 25 affirmation, under penalty of law, as to the truth of each of the items 26 required to be affirmed in a purchaser certification, as well as the quantity of export restricted timber that is being transferred. 27
- Sec. 9. (1) The department must establish and 28 NEW SECTION. 29 maintain a list of persons who, due to violations of this chapter, are ineligible to purchase export restricted timber. The department must 30 add a person's name to the list if it finds, or has been notified by an 31 32 agency, that the person has violated the provisions relating to the 33 prohibition against exports, the prohibition against substitution, or the limitation on indirect transactions. A person must be removed from 34 35 the list after the period of time has elapsed as is required under the debarment order issued under section 11 of this act. 36

- (2) The department must post a copy of the list of ineligible 1 purchasers on its web site and provide a copy of this list, either 2 electronically or in writing at the requesting person's option, to each 3 person who requests to receive copies of the list. Upon a request for 4 future updated copies of the list, the department must provide revised 5 copies of the list to all of these persons whenever a person is added 6 to or removed from the list. 7
- 8 NEW SECTION. Sec. 10. Agencies contracting for the sale of export 9 restricted timber from public lands must include in the contracts clauses incorporating the applicable requirements relating to the 10 prohibitions on export and substitution, reporting, and enforcement. 11 12 In addition, the contracts must include clauses that provide that a violation by the purchaser of the prohibitions relating to the 13 prohibitions on export and substitution are sufficient cause for the 14 15 agency to cancel the contract.
- NEW SECTION. Sec. 11. (1) If the department finds that a person 16 17 has violated any provisions of this chapter, or any rule implementing this chapter, the department must provide written notice of the 18 violation to the person and provide the person an opportunity to be 19 heard concerning the department's findings. 20 The person must have an 21 opportunity to contest the department's findings or explain any 22 mitigating circumstances. If a person fails to respond to the notice, 23 or the department determines after the hearing that a provision of this 24 chapter or a rule implementing this chapter was violated, the 25 department may impose the following civil penalties:
- (a) For exporting unprocessed export restricted public timber, a 27 fine not to exceed fifty thousand dollars for each violation that the person should have known constituted a violation;
- 29 (b) For exporting unprocessed export restricted public timber, a fine not to exceed five hundred thousand dollars for each violation the 30 31 person committed willfully;
 - (c) For all other violations:
- 33 (i) A fine not to exceed twenty-five thousand dollars for each violation the person should have known constituted a violation; 34
- 35 (ii) A fine not to exceed one hundred thousand dollars for each violation the person committed willfully; and 36

28

- (iii) A fine not to exceed ten thousand dollars for a minor 1 violation that is not an intentional violation, involves a single 2 contract, purchase order, processing facility, or log yard involving a 3 4 quantity of less than twenty-five logs and has a total value of less 5 than ten thousand dollars.
 - (2) The department must adopt by rule standards for determining the civil penalties to be imposed. These standards may be based upon the value of the timber involved, the duration of the violation, the frequency of the violations, any previous violations, and other facts and circumstances the department determines are relevant to set the civil penalties under this section.
- (3) A person who willfully violates any of the prohibitions 12 13 contained in section 4 of this act pertaining to export, substitution, or indirect transactions must be debarred, by an order issued by the 14 15 department, from bidding on or purchasing export restricted timber originating from any public lands covered by this chapter for a period 16 17 of two years.
- (4) A second debarment of any person under this section, which is 18 19 for a violation by the same person committed after the first debarment 20 of the person under this section, will result in a debarment of the person from bidding on or purchasing export restricted timber for a 21 22 period of five years.
 - (5) If the department becomes aware of a violation, or possible violation, of the prohibitions relating to export, substitution, or certain indirect transactions, it must notify the managing agency so that the agency may promptly take appropriate action, as provided in this chapter.
- (6) The Washington administrative procedure act, chapter 34.05 RCW, applies to the issuance of any order by the department, or any 29 30 determination by the department that a violation of any of the prohibitions contained in section 4 of this act pertaining to export, substitution, or indirect transactions has occurred. Agencies other 32 33 than state agencies must follow appropriate procedures in issuing an 34 order for a violation of the prohibitions contained in section 4 of this act pertaining to export, substitution, or indirect transactions.
- (7) For the purposes of this section, the term "person" includes 36 37 any previously formed but no longer existing entity that would be included in section 2(6) of this act if the entity were in existence. 38

<u>NEW SECTION.</u> **Sec. 12.** (1) The department is responsible for the 1 2 proper administration of this chapter. The department has the 3 authority to adopt all rules to implement this chapter. The department 4 also has the authority to administer and otherwise modify chapter 240-5 15 WAC, as recodified pursuant to section 13(2) of this act, to ensure that it is consistent with the provisions of this chapter. 6 7 department may undertake studies, analysis, or research necessary to 8 carry out the provisions of this chapter. The department may also 9 enter into all necessary contracts and accept any gifts, grants, or 10 funds for the purposes of this chapter.

(2) The department must develop and implement a program for the monitoring of export restricted timber in transit and at ports and other facilities for the purpose of ensuring that export restricted timber is not exported from the United States or used in substitution. This monitoring program may also include requests for information on the processing and transfer of timber grown by the purchaser within Washington, Oregon, and Idaho. The purchaser must maintain reasonable records regarding the processing and transfers of its timber and produce these records at the request of the department. The department may enter into contracts or agreements with other appropriate state, federal, or other public authorities for the purpose of meeting the monitoring requirements of this section.

23 NEW SECTION. Sec. 13. (1) The legislature finds that the rules 24 pertaining to timber substitution have been established within the 25 Washington Administrative Code since 1990. The legislature also finds 26 that these rules were adopted without the benefit of state statutes providing direction for these rules. The legislature is concerned that 27 there will be considerable disruption to the timber substitution 28 29 program if the department is required to adopt rules to administer a program it is already administering. The legislature further 30 recognizes that all details contained in agency rules are not 31 appropriate for codification into statute because efficiencies in 32 33 administration may allow for such improvements as simpler reporting Future efficiencies could reduce the burden for the 34 requirements. department, the government agencies calling for bids and issuing timber 35 Therefore, this section gives 36 contracts, and the timber community. effect to the rules adopted by the governor in chapter 240-15 WAC 37 without requiring the readoption of these rules or the preparation of 38

11

12 13

14 15

16 17

18 19

20

small business economic impact statements by the department. The absence of language contained within that chapter of regulations concerning this chapter may not be construed as an intent by the legislature to change or repeal the requirements of chapter 240-15 WAC as it existed on January 1, 2002. Only those provisions of chapter 240-15 WAC that are clearly inconsistent with the provisions and purposes of this chapter may be considered no longer in effect. The legislature intends by the adoption of this chapter to expand the current exemptions from the substitution rules, to give the department the necessary rule-making authority to administer this chapter, to create a pilot program, and to place the current system into statute.

(2) The code reviser's office must recodify the rules contained in chapter 240-15 WAC as a separate chapter under the responsibility of the department. The department must issue an interpretive statement that discusses any changes in the current administration of the timber substitution rules program. The interpretive statement must also describe which, if any, of these changes will be subject to a rule-making proceeding under chapter 34.05 RCW. The code reviser's office must publish this interpretive statement in the Washington State Register.

NEW SECTION. Sec. 14. (1) This chapter does not apply to the extent that an order issued by the secretary of commerce of the United States under the federal forest resources conservation and shortage relief act is suspended, removed, or modified by the president of the United States, or the federal act is modified or repealed by congress.

(2) If federal law establishes a partial ban instead of a total ban on the export of unprocessed timber originating from public lands, then sales designated by an agency as export restricted must be distributed proportionately throughout the geographical area of land owned or managed by the agency. Timber originating from sales designated as export restricted must be representative of the species and grade distribution of the agency's sale program. Designation of timber sales as export restricted and as exportable must be on a sale-by-sale basis and apply to the entire sale being considered. However, a sale must be subdivided into portions that are export restricted and exportable if there are insufficient sales in the annual sales program to ensure that designation on a sale-by-sale basis meets the applicable requirements of the federal act. By March 31st of each year, each agency selling

- 1 timber from public lands must report to the department on the results
- 2 of its sales program for the preceding calendar year. The report must
- 3 include information on the volume, species, grade, and geographical
- 4 distribution of sales sold as export restricted and nonexport
- 5 restricted.
- 6 <u>NEW SECTION.</u> **Sec. 15.** The governor shall submit this chapter to
- 7 the secretary of commerce for approval under 16 U.S.C. Sec. 620c(d)(2).
- 8 The governor must also provide any information reasonably requested by
- 9 the secretary of commerce to determine whether the state's program
- 10 complies with all requirements of federal law. If the secretary of
- 11 commerce disapproves the state's program as submitted, the department
- 12 must notify the governor and the appropriate legislative committees of
- 13 the secretary's disapproval and inform them of those deficiencies in
- 14 the program identified by the secretary of commerce.
- 15 <u>NEW SECTION.</u> **Sec. 16.** If any provision of this act or its
- 16 application to any person or circumstance is held invalid, the
- 17 remainder of the act or the application of the provision to other
- 18 persons or circumstances is not affected.
- 19 <u>NEW SECTION.</u> **Sec. 17.** Section 13 of this act takes effect July 1,
- 20 2002. The remainder of this act takes effect upon the approval of this
- 21 act by the secretary of commerce under 16 U.S.C. Sec. 620c(d)(2).
- 22 <u>NEW SECTION.</u> **Sec. 18.** Sections 1 through 17 of this act
- 23 constitute a new chapter in Title 79 RCW."
- 24 Correct the title.

EFFECT: Removes the 50% phase-out of the substitution rules over ten years, and replaces it with a complete elimination of these rules after ten years. Reduces the amount of secondary market sales from 50% to 20% of the volume of the sale. Limits the salvage exemption from the substitution rules to sales where at least 90% of the timber has been damaged. Eliminates the thinnings exemption from the substitution rules. Modifies the sourcing area for timber companies from the crest of the Cascade Mountains.

--- END ---
