5 On page 8, line 11, after "PROJECTS." insert "(1)"

6 On page 8, after line 19, insert the following:

7 "(2) If construction of a toll facility authorized under this
8 chapter commences within three years of the effective date of this act,
9 the toll facility must use transponder technology to aid in collecting
10 tolls. In developing standards and soliciting bids for electronic toll
11 collection, the department shall examine and evaluate all reasonably
12 available technology and shall develop standards that do not favor one
13 technology over another."

EFFECT: Requires department to evaluate variety of technology and
develop standards that do not favor one over another.
