2 By Representative Cody

3 On page 2, line 17, after "service rules" strike "and" and insert  
4 ". The state board shall consider the food safety standards in the  
5 existing state rules and the food safety standards recommended in the  
6 food code of the U. S. Food and Drug Administration and shall adopt the  
7 standards that provide for the highest level of food safety. The state  
8 board shall"

**EFFECT:** Requires the state board to examine the state's food safety standards and the federal recommendations for such standards and adopt the standards that provide for the highest level of food safety.
