

SHB 2360 - S AMD  
By Senator Parlette

1 On page 1, line 18, after "review" strike all material through  
2 "resolution;" on page 2, line 4, and insert "(a) the legality of  
3 allowing any providers licensed under Title 18 RCW to collectively  
4 negotiate with health carriers licensed under chapter 43.72 RCW  
5 regarding the price of their services; (b) the impact of state and  
6 federal reimbursement rates for government sponsored or subsidized  
7 health care coverage on reimbursement rates in the state of  
8 Washington;"

--- END ---

**EFFECT:** This amends the bill so that it more clearly states that the committee should study the legality of provider collective bargaining and the impact of government programs reimbursements to providers.
