32 to read as follows:

33 For the purpose of financing the cost of any projects, the board is
34 hereby authorized to adopt the resolution or resolutions and prepare
35 all other documents necessary for the issuance, sale and delivery of
36 the bonds or any part thereof at such time or times as it shall deem
37 necessary and advisable. Said bonds:

- 38 (1) Shall not constitute

1 (a) An obligation, either general or special, of the state; or
2 (b) A general obligation of Washington State University or of the
3 board;
4 (2) Shall be
5 (a) Either registered or in coupon form; and
6 (b) Issued in denominations of not less than one hundred dollars;
7 and
8 (c) Fully negotiable instruments under the laws of this state; and
9 (d) Signed on behalf of the university by the president of the
10 board, attested by the secretary or the treasurer of the board, have
11 the seal of the university impressed thereon or a facsimile of such
12 seal printed or lithographed in the bottom border thereof, and the
13 coupons attached thereto shall be signed with the facsimile signatures
14 of such president and secretary;
15 (3) Shall state
16 (a) The date of issue; and
17 (b) The series of the issue and be consecutively numbered within
18 the series; and
19 (c) That the bond is payable both principal and interest solely out
20 of the bond retirement fund;
21 (4) Each series of bonds shall bear interest, payable either
22 annually or semiannually, as the board may determine;
23 (5) Shall be payable both principal and interest out of the bond
24 retirement fund;
25 (6) Shall be payable at such times over a period of not to exceed
26 forty years from date of issuance, at such place or places, and with
27 such reserved rights of prior redemption, as the board may prescribe;
28 (7) Shall be sold in such manner and at such price as the board may
29 prescribe;
30 (8) Shall be issued under and subject to such terms, conditions and
31 covenants providing for the payment of the principal thereof and
32 interest thereon and such other terms, conditions, covenants and
33 protective provisions safeguarding such payment, not inconsistent with
34 RCW 28B.30.700 through 28B.30.780, and as found to be necessary by the
35 board for the most advantageous sale thereof, which may include but not
36 be limited to:
37 (a) A covenant that the building fees shall be established,
38 maintained and collected in such amounts that will provide money
39 sufficient to pay the principal of and interest on all bonds payable

1 out of the bond retirement account, to set aside and maintain the
2 reserves required to secure the payment of such principal and interest,
3 and to maintain any coverage which may be required over such principal
4 and interest;

5 (b) A covenant that a reserve account shall be created in the bond
6 retirement fund to secure the payment of the principal of and interest
7 on all bonds issued and a provision made that certain amounts be set
8 aside and maintained therein;

9 (c) A covenant that sufficient moneys may be transferred from the
10 Washington State University building account to the bond retirement
11 account when ordered by the board of regents in the event there is ever
12 an insufficient amount of money in the bond retirement account to pay
13 any installment of interest or principal and interest coming due on the
14 bonds or any of them;

15 (d) A covenant fixing conditions under which bonds on a parity with
16 any bonds outstanding may be issued.

17 The proceeds of the sale of all bonds shall be deposited in the
18 state treasury to the credit of the Washington State University
19 building account and shall be used solely for paying the costs of the
20 projects. The Washington State University building account shall be
21 credited with the investment income derived pursuant to RCW 43.84.080
22 on the investible balances of scientific permanent fund and
23 agricultural permanent fund, less the allocation to the state
24 treasurer's service ((~~account~~ {~~fund~~})) fund pursuant to RCW 43.08.190.
25 During the 2001-2003 fiscal biennium, the legislature may transfer from

27 fund such amounts as reflect the excess fund balance of the account.

28 **Sec. 303.** RCW 28B.50.360 and 2000 c 65 s 1 are each amended to
29 read as follows:

30 Within thirty-five days from the date of start of each quarter all
31 collected building fees of each such community and technical college
32 shall be paid into the state treasury, and shall be credited as
33 follows:

34 (1) On or before June 30th of each year the college board if
35 issuing bonds payable out of building fees shall certify to the state
36 treasurer the amounts required in the ensuing twelve-month period to
37 pay and secure the payment of the principal of and interest on such
38 bonds. The state treasurer shall thereupon deposit the amounts so

1 certified in the community and technical college capital projects
2 account. Such amounts of the funds deposited in the community and
3 technical college capital projects account as are necessary to pay and
4 secure the payment of the principal of and interest on the building
5 bonds issued by the college board as authorized by this chapter shall
6 be exclusively devoted to that purpose. If in any twelve-month period
7 it shall appear that the amount certified by the college board is
8 insufficient to pay and secure the payment of the principal of and
9 interest on the outstanding building bonds, the state treasurer shall
10 notify the college board and such board shall adjust its certificate so
11 that all requirements of moneys to pay and secure the payment of the
12 principal and interest on all such bonds then outstanding shall be
13 fully met at all times.

14 (2) The community and technical college capital projects account is
15 hereby created in the state treasury. The sums deposited in the
16 capital projects account shall be appropriated and expended exclusively
17 to pay and secure the payment of the principal of and interest on bonds
18 payable out of the building fees and for the construction,
19 reconstruction, erection, equipping, maintenance, demolition and major
20 alteration of buildings and other capital assets owned by the state
21 board for community and technical colleges in the name of the state of
22 Washington, and the acquisition of sites, rights-of-way, easements,
23 improvements or appurtenances in relation thereto, and for the payment
24 of principal of and interest on any bonds issued for such purposes.
25 During the 2001-2003 fiscal biennium, the legislature may transfer from
26 the account to the state general fund such amounts as reflect the
27 excess fund balance of the account.

28 **Sec. 304.** RCW 43.30.265 and 1992 c 167 s 1 are each amended to
29 read as follows:

30 (1) The legislature finds that the department of natural resources
31 has a need to maintain the real property asset base it manages and
32 needs an accounting mechanism to complete transactions without reducing
33 the real property asset base.

34 (2) The natural resources real property replacement account is
35 created in the state treasury. This account shall consist of funds
36 transferred or paid for the disposal or transfer of real property by
37 the department of natural resources under RCW 79.01.009. The funds in
38 this account shall be used solely for the acquisition of replacement

1 real property and may be spent only when, and as, authorized by
2 legislative appropriation. For the period July 1, 2001, to June 30,
3 2003, moneys in the account may be transferred to the following
4 accounts: Permanent common school fund; scientific permanent fund;
5 charitable, educational, penal and reformatory institutions account;

10 created in the state treasury. Moneys in this account are subject to
11 legislative appropriation. The interagency committee for outdoor
12 recreation shall administer the account for purposes specified in this
13 chapter and shall hold it separate and apart from all other money,
14 funds, and accounts of the interagency committee for outdoor
15 recreation. Grants, gifts, or other financial assistance, proceeds
16 received from public bodies as administrative cost contributions, and
17 any moneys made available to the state of Washington by the federal
18 government for outdoor recreation may be deposited into the account.
19 During the 2001-2003 fiscal biennium, the legislature may transfer from
20 the account to the state general fund such amounts as reflect the
21 excess fund balance of the account.

22 **Sec. 306.** RCW 79A.25.200 and 2000 c 11 s 77 are each amended to
23 read as follows:

24 The recreation resource account is created in the state treasury.
25 Moneys in this account are subject to legislative appropriation. The
26 committee shall administer the account in accordance with this chapter
27 and chapter 79A.35 RCW and shall hold it separate and apart from all
28 other money, funds, and accounts of the committee. Moneys received
29 from the marine fuel tax refund account under RCW 79A.25.070 shall be
30 deposited into the account. Grants, gifts, or other financial
31 assistance, proceeds received from public bodies as administrative cost
