***Brief Summary of Bill***

- *Increases the post-retirement maximum employment allotment for TRS plan 1 retirees to 840 hours.*

***Hearing Date:*** 1/23/01

***Staff:*** Andrea Hardy (786-7349).

***Background:***

*The Teachers' Retirement System (TRS) Plan 1 includes teachers and school administrators first hired prior to October 1, 1977. In general, TRS retirees could work no more than 75 days (525 hours) each school year in a public educational institution without a reduction in retirement benefits.*

*However, the Legislature has gradually expanded the amount that TRS 1 retirees can work in certain settings without a reduction in their benefits. In a school district that has passed a resolution declaring a shortage of substitute teachers, a TRS Plan 1 retiree can work an additional 315 hours, for a total of 840 hours or about 120 days, as a substitute teacher. Only persons who substitute on a day-to-day basis are eligible for this extended period of*

*employment. Persons who sign contracts for a school year are still limited to the 525-hour cap. A resolution declaring a shortage of substitutes is valid only for the school year in which it is adopted, and a copy of the resolution, with a list of retirees who have been hired, must be provided to the Department of Retirement Systems (DRS).*

*In a school district that has passed a resolution declaring an inability to find a replacement administrator to fill a vacancy, a TRS 1 retiree may serve as a substitute administrator for an additional 105 hours, for a total of 630 hours or about 90 days. In 1999 the limit was also amended to provide that a retired principal working for a school district with a shortage of principals may work an additional 315 hours as a substitute principal. The ability to work these additional hours without a reduction in retirement benefits is available only to TRS Plan 1 retirees who work as substitute teachers, substitute principals, or substitute administrators, and only in those school districts that have passed the required resolution.*

***Summary of Bill:***

*All TRS Plan 1 retirees are permitted to work up to 840 hours per school year in any public education institution without a reduction in their retirement benefits. DRS must provide the state actuary with data on to TRS Plan 1 post-retirement employment for the Joint Committee on Pension Policy.*

***Effective Date:*** *Ninety days after adjournment of session in which bill is passed.*

***Appropriation:*** *None.*

***Fiscal Note:*** *Requested on January 19, 2001.*
