## HOUSE COMMITTEE ON AGRICULTURE & ECOLOGY

**Majority Report:** The substitute bill be substituted therefor and the substitute bill do pass. Signed by 14 members: Representatives G. Chandler, Republican Co-Chair; Linville, Democratic Co-Chair; Cooper, Democratic Vice Chair; Mielke, Republican Vice Chair; B. Chandler, Delvin, Dunshee, Grant, Hunt, Kirby, Quall, Roach, Schoesler and Sump.

**Staff:** Kenneth Hirst (786-7105).

**Background:**

In reporting for business and occupation (B&O) tax purposes, a taxpayer is to report on a cash receipts or accrual basis according to the method of accounting regularly employed in keeping the taxpayer's books. If the books are kept on the basis of charges that are accruing, reporting for B&O tax purposes is to be based on those accruals although

payment for those accruing changes may not yet have been received by the taxpayer.

---

**Summary of Bill:**

A person operating a grain warehouse may elect to report for B&O tax purposes based on either a cash receipts or accrual basis regardless of the accounting method regularly employed by the warehouse.

---

**Appropriation:** None.

**Fiscal Note:** Available (original bill).

**Effective Date:** The bill contains an emergency clause and takes effect July 1, 2001.

**Testimony For:** Without the bill, grain warehouses have to pay taxes on the grain they store. They have to pay before the grain is sold and the warehouse is paid for its storage costs. This creates a cash flow problem.

**Testimony Against:** None.

**Testified:** (In favor/Original Bill) Dan Coyne, Washington State Council of Farmer Cooperatives.
