### HOUSE COMMITTEE ON STATE GOVERNMENT

**Majority Report:** The substitute bill be substituted therefor and the substitute bill do pass. Signed by 8 members: Representatives McMorris, Republican Co-Chair; Romero, Democratic Co-Chair; Miloscia, Democratic Vice Chair; Schindler, Republican Vice Chair; Haigh, Lambert, McDermott and D. Schmidt.

**Staff:** Jim Morishima (786-7191).

**Background:**

Federal law (the Privacy Act of 1974) requires all federal and state agencies requesting the disclosure of an individual's Social Security number to notify the individual of the following: (1) whether disclosure of the number is required or optional; (2) which law or regulation permits the agency to request disclosure of the number; and (3) how the number will be used. The Privacy Act of 1974 also prohibits federal and state agencies

from denying any right, benefit, or privilege to an individual because of the individual's refusal to disclose his or her Social Security number unless the disclosure is required by federal statute.

In order to qualify for federal welfare funds, a state must collect the Social Security numbers of any applicant for a professional license, a driver's license, an occupational license, a recreational license, or a marriage license.

---

**Summary of Substitute Bill:**

Social security numbers and drivers' license numbers may not be used as part of a professional license. Licenses existing on the effective date of the act must comply with this prohibition at the next renewal date.

**Substitute Bill Compared to Original Bill:**

The substitute delays the effective date of the act until January 1, 2002. After that date, all new licenses must comply with the prohibition, and all licenses existing on the effective date of the act must comply at the next renewal date.

---

**Appropriation:** None.

**Fiscal Note:** Available.

**Effective Date of Substitute Bill:** The substitute bill takes effect January 1, 2002.

**Testimony For:** (Original bill) This protects holders of professional licenses from identity theft and stalking. Often times the licensee's license number is the same as his or her driver's license number. Since these licenses often must be posted publicly, persons viewing the license have access to the licensee's personal information.

**Testimony Against:** None.

**Testified:** (In support original bill) Representative Bush, prime sponsor; and Rowland Thompson, Allied Daily Newspapers.

(With concerns original bill) Alan Rathbun and John Swannack, Department of Licensing; and Bob Mitchell, Washington Association of Realtors.
