SENATE COMMITTEE ON HUMAN SERVICES & CORRECTIONS

Majority Report: That Substitute Senate Bill No. 6499 be substituted therefor, and the substitute bill do pass.

Signed by Senators Hargrove, Chair; Franklin, Hewitt, Kastama, Kohl-Welles, Long and Stevens.

Staff: Tony Rugel (786-7754)

Background: In order to implement the Governor's budget, the Department of Corrections (DOC) was directed to effect cost saving measures. A portion of the DOC budget is allocated to the supervision of "low risk" offenders, as well as the collection and enforcement of legal financial obligations.

Summary of Bill: The Department of Corrections (DOC) is authorized to complete risk assessments of offenders. If an offender is classified at the lowest risk level, DOC can eliminate or terminate any term of community custody or community supervision. The liability standard for risk classification is set at gross negligence.

DOC is responsible for the collection or enforcement of offender's legal financial obligations while under the supervision of the department.

DOC is given authority to enter into contracts with governmental agencies, as well as private organizations, for the management and operation of work release programs. Any work release programs in existence are operated by private organizations.

Those convicted of serious violent offenses are prevented from being reclassified as low risk offenders by the Department of Corrections. The department is also required to send notice, when an offender is classified as a low risk offender, to the county clerk, sentencing court, and prosecuting authority where the offender was convicted.

Appropriation: None.

Fiscal Note: Requested on January 21, 2002

Effective Date: The bill takes effect on July 1, 2002.

Testimony For: There is wide support for the bill but would like minor striking amendments and provisions that would add DOSA and misdemeanants.

Testimony Against: None.

Testified: Joseph D. Lehman, Dept. of Corrections (pro).
