

**SUBSTITUTE HOUSE BILL 1001**

**State of Washington**

**57th Legislature**

**2001 Regular Session**

**By** House Committee on Capital Budget (originally sponsored by Representatives Alexander, Murray, Armstrong, Hatfield, Dickerson, Linville, Kenney, Simpson, McIntire, Edmonds, Keiser, Schual-Berke, Ogden and Fromhold; by request of Public Works Board)

Read first time . Referred to Committee on .

1 AN ACT Relating to authorization for projects recommended by the  
2 public works board; creating new sections; and declaring an emergency.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** Pursuant to chapter 43.155 RCW, the  
5 following project loans recommended by the public works board are  
6 authorized to be made with funds previously appropriated from the  
7 public works assistance account:

8 (1) Admiral's Cove Water District--domestic water project--  
9 replace/relocate deteriorated and undersized water mains. Replace fire  
10 hydrants. Controls and other related equipment and materials will be  
11 installed . . . . . \$677,250

12 (2) City of Airway Heights--domestic water project--replace  
13 deteriorated water mains, purchase and develop a new well, and install  
14 a transmission main. Install related equipment and  
15 material . . . . . \$2,911,846

16 (3) Annapolis Water District--domestic water project--repair and  
17 paint two water tanks . . . . . \$104,967

- 1 (4) Annapolis Water District--domestic water project--replace water  
2 mains throughout the Bethel Avenue corridor . . . . . \$1,043,970
- 3 (5) Annapolis Water District--domestic water project--replace  
4 chlorination systems . . . . . \$198,883
- 5 (6) City of Auburn--domestic water project--install two corrosion  
6 control facilities and related equipment and materials necessary to  
7 complete the project . . . . . \$4,299,500
- 8 (7) City of Bremerton--sanitary sewer project--construct a sanitary  
9 sewer facility including odor controls, disinfection, and related  
10 equipment . . . . . \$3,000,000
- 11 (8) Bryn Mawr-Lakeridge Water and Sewer District--domestic water  
12 project--replace water mains, water services, and pressure reducing  
13 equipment. In addition, fire hydrants and emergency water supply  
14 intertie will be installed . . . . . \$1,051,980
- 15 (9) City of Castle Rock--sanitary sewer project--upgrade wastewater  
16 treatment plant. To include installation of new aeration basins and  
17 clarifiers, upgrade pumps, disinfection facilities will be improved,  
18 and other components will be upgraded as necessary . . . \$1,241,000
- 19 (10) Cedar River Water and Sewer District--domestic water project--  
20 replace water mains, abandon a well, and install new lines. Install or  
21 replace other related material and equipment as  
22 needed . . . . . \$2,686,000
- 23 (11) City of Chelan--sanitary sewer project--upgrade and expand the  
24 wastewater treatment plant. To include replacement of two lift  
25 stations and two sewage siphons. Install or replace other related  
26 material and equipment as needed . . . . . \$4,969,000
- 27 (12) Clark Public Utility--domestic water--construct a new well and  
28 pumping station in the Pioneer area . . . . . \$286,855
- 29 (13) Coal Creek Utility District--sanitary sewer project--upgrade  
30 and relocate a lift station, upsize the sewer mains, and relocate water  
31 lines . . . . . \$828,750
- 32 (14) Town of Colton--domestic water project--drill and develop a  
33 new well, install a new pump, construct a well house, and install  
34 necessary piping, equipment, controls, and electrical

1 connections . . . . . \$293,550

2 (15) Cowlitz County PUD No. 1--domestic water project--replace  
3 water mains, install fire hydrants, and restore  
4 roadways . . . . . \$430,400

5 (16) City of Dayton--domestic water project--upgrade a well,  
6 replace telemetry systems, install controls equipment, replace water  
7 mains, and make other related improvements . . . . . \$494,000

8 (17) Town of Eatonville--domestic water project--construct a water  
9 filtration plant and the building to house the filtration equipment.  
10 Install controls, piping, fixtures, pumps, corrosion control equipment,  
11 disinfection equipment, and related material and  
12 equipment . . . . . \$1,134,090

13 (18) City of Everett--domestic water project--design and construct  
14 replacement sections of water transmission lines. Environmental,  
15 geotechnical, and related studies will be completed and other related  
16 equipment or material will be installed . . . . . \$4,599,425

17 (19) Fall City Water District--domestic water project--drill and  
18 develop a well, construct a well house, install controls, and make  
19 other related improvements . . . . . \$110,500

20 (20) Town of Granger--domestic water project--replace water lines  
21 and install telemetry at various sites within the system, other related  
22 improvements, and repairs . . . . . \$297,000

23 (21) Highline Water District--domestic water project--replace water  
24 mains. Fire hydrants, controls, valves, and other related equipment  
25 and material will be installed . . . . . \$1,751,000

26 (22) King County Water District No. 83--domestic water project--  
27 replace water lines, and install valves, pressure reducing stations,  
28 and eliminated dead-end sections. Other related improvements and  
29 repairs will be made . . . . . \$670,766

30 (23) City of Kirkland--sanitary sewer project--replace sewer lift  
31 station at Juanita and construct and install new wetwells, new storage  
32 capacity, new connections to existing sewer mains, and related  
33 equipment, materials, and buildings . . . . . \$1,848,000

1 (24) Klickitat County--sanitary sewer project--construct a sanitary  
2 sewer system, including sewer lines, pumps, manholes, and treatment  
3 facility . . . . . \$10,000,000

4 (25) Town of Lind--sanitary sewer project--design and construct a  
5 new effluent disinfection system. It will also inspect, repair, or  
6 replace several segments of the collection system pipes . . \$384,950

7 (26) City of Mount Vernon--bridge project--design and build a  
8 four-lane bridge crossing the Skagit River. Signal and related items  
9 will be installed or constructed as part of the  
10 project . . . . . \$2,300,000

11 (27) Town of Naches--domestic water project--replace water mains  
12 and replace or rehabilitate pumps in two wells. Other related  
13 equipment, controls, and material will be installed . . . . \$169,575

14 (28) City of Nooksack--domestic water project--replace water lines,  
15 relocate the master water valve, install related equipment and  
16 materials, repair roadways, and return construction site to original  
17 state . . . . . \$725,555

18 (29) City of Okanogan--domestic water project--install telemetry  
19 upgrades throughout the system . . . . . \$165,750

20 (30) City of Olympia--bridge project--upgrade a major community  
21 pathway. Replace traffic signals with roundabouts, streets will be  
22 widened, the grades of some streets will be significantly altered,  
23 private driveways will be altered, bike paths will be constructed, and  
24 utilities will be placed underground. The 4th Avenue bridge will be  
25 replaced . . . . . \$3,275,000

26 (31) Olympic View Water and Sewer District--domestic water  
27 project--replace water mains, install controls, equipment, and other  
28 related material . . . . . \$153,170

29 (32) Pacific County Flood Control Zone District No. 1--storm sewer  
30 project--construct a storm water conveyance system and a new ocean  
31 outfall. Storm water lines, catchbasins, and other related equipment,  
32 controls, and material will be installed . . . . . \$615,000

33 (33) City of Prosser--sanitary sewer project--modify the system's  
34 headworks, clarifier, and effluent pumping system. Install a polymer

1 feed system and repair or replace anaerobic digester and other related  
2 key components . . . . . \$322,825

3 (34) City of Selah--domestic water project--interconnect wells and  
4 transmission lines, install new water mains, and upgrade telemetry  
5 systems . . . . . \$3,177,900

6 (35) City of Shoreline--storm sewer project--evaluate, design, and  
7 construct drainage improvements on Ronald Bog Drainage  
8 Sub-Basin . . . . . \$4,055,500

9 (36) Soos Creek Water and Sewer District--sanitary sewer project--  
10 install sewer lines and water mains along with manholes and related  
11 equipment and materials. Hydrants, valves, water services, and related  
12 items will be assessed and replaced as necessary . . . . \$1,452,650

13 (37) City of Sultan--domestic water project--replace water mains  
14 and make other related improvements, including, but not limited to,  
15 valve replacements, hydrant replacements, and roadway  
16 restoration . . . . . \$920,550

17 (38) City of Union Gap--sanitary sewer project--upgrade its master  
18 lift station, replace lift pumps, replace electrical equipment, replace  
19 controls, and install a new generator. Other related repairs and  
20 improvements will be made if necessary . . . . . \$684,250

21 (39) Val Vue Sewer District--sanitary sewer project--construct  
22 sanitary sewers and rehabilitate water and storm water components.  
23 Sewer mains will be replaced and a lift station will be constructed.  
24 Pump stations will be upgraded and other related improvements will be  
25 made . . . . . \$1,394,170

26 (40) Valley Water District--domestic water project--install  
27 filtration units, make electrical improvements, install valves, install  
28 a disinfection system, rehabilitate a well, provide auxiliary power,  
29 drill a new well, and make reservoir improvements . . . . . \$595,000

30 (41) City of Waitsburg--sanitary sewer project--rehabilitate its  
31 wastewater collection system and lift station. Construct a new  
32 wastewater treatment facility. Sewer mains will be replaced and other  
33 related improvements will be made . . . . . \$800,000

34 (42) City of Wapato--sanitary sewer project--upgrade the  
35 disinfection system at the wastewater treatment

1 facility . . . . . \$388,500

2 (43) Whitworth Water District No. 2--domestic water project--  
3 install new water lines, valves, and related equipment and controls.  
4 Construct a reservoir and booster pump, and other related improvements  
5 will be made . . . . . \$3,201,100

6 (44) Woodinville Water District--domestic water project--retrofit  
7 all eight reservoirs with seismic isolation sensors, valves, and  
8 flexible expansion joints. Other related improvements will be  
9 made . . . . . \$672,000

10 (45) Yakima County--road project--pave over 12 miles of gravel  
11 road. Drainage facilities, traffic controls, and other related  
12 miscellaneous items will be made . . . . . \$3,000,000

13 (46) City of Zillah--domestic water project--upgrade the telemetry  
14 system that operates and controls the city's water  
15 system . . . . . \$120,700

16 (47) Emergency Public Works Loans--as authorized by RCW  
17 43.155.065 . . . . . \$1,000,000

18 Section 1 total . . . . . \$74,502,877

19 NEW SECTION. **Sec. 2.** An appropriation of \$93,593,068 for the  
20 biennium ending June 30, 2001, is hereby made from the public works  
21 assistance account to the department of community, trade, and economic  
22 development for the purposes of providing funds for the following  
23 project loans recommended by the public works board:

24 (1) City of Burien--road project--reconstruct the road from 1st  
25 Avenue South to 10th Avenue SW. Travel lanes will be reduced from four  
26 to two and parking areas will be developed along both sides of the  
27 street. Sidewalks will also be constructed, turn lanes and traffic  
28 lights will be installed at key intersections, and other related  
29 improvements will be made . . . . . \$2,440,016

30 (2) City of Centralia--sanitary sewer project--install a sanitary  
31 sewer system that will replace septic systems. Each septic tank will  
32 be pumped and removed. Related equipment and materials will be  
33 installed as needed . . . . . \$1,376,192

- 1 (3) Clark Public Utilities--domestic water project--replace water  
2 lines in the Meadow Glade-Hazel Dell area. Other related improvements  
3 and repairs will made to the system . . . . . \$2,550,000
- 4 (4) Clark Public Utilities--domestic water project--construct a new  
5 3-million-gallon regional water reservoir, and other related  
6 improvements . . . . . \$1,667,145
- 7 (5) Town of Couvville--sanitary sewer project--install effluent  
8 pumps, a standby generator, a second clarifier, and pipes, valves, and  
9 controls. Construct an oxidation ditch and convert to an ultraviolet  
10 disinfection system. Other related repairs and improvements will be  
11 made . . . . . \$2,370,000
- 12 (6) Cowlitz County--sanitary sewer project--expand the wastewater  
13 treatment facility, install a wastewater pump station, construct a  
14 force main, and make improvements to sewer lines, and other related  
15 repairs and improvements . . . . . \$3,000,000
- 16 (7) City of Elma--sanitary sewer project--construct a wastewater  
17 treatment plant, including but not limited to installation of a new  
18 pump and headworks, the construction of Biolac plant, the construction  
19 of buildings to house the equipment, the installation of a new  
20 disinfection system, and the installation of related equipment and  
21 material . . . . . \$2,346,748
- 22 (8) City of Everett--storm sewer project--upgrade the existing  
23 storm sewer system by rerouting storm sewer lines and upsizing narrow  
24 diameter lines. Other related material and equipment will be  
25 installed . . . . . \$2,108,525
- 26 (9) City of Kalama--domestic water project--construct a water  
27 treatment plant, including development of associated buildings, ponds,  
28 and on-site storm detention facilities. Other related improvements or  
29 upgrades will be made . . . . . \$4,170,625
- 30 (10) City of Kennewick--domestic water project--replace water lines  
31 throughout the jurisdiction along with associated valves, hydrants, and  
32 related equipment and material. In addition, the city will replace  
33 sewer lines and access points that are adjacent to water  
34 lines . . . . . \$3,000,000

- 1 (11) City of Kent--domestic water project--assist in developing a  
2 regional water supply system beginning at the headworks and continuing  
3 to Tacoma's pipeline. Install a diversion dam, intake, and intertie  
4 with Seattle, make enhancements for fish, additional storage capacity,  
5 and other related and necessary improvements . . . . . \$10,000,000
- 6 (12) King County--sanitary sewer project--upgrade the Juanita Bay  
7 pump station. The capacity and condition of force mains will be  
8 evaluated during the project and improvements will be made as  
9 necessary. Work on the discharge system may also be completed as part  
10 of this project if necessary . . . . . \$10,000,000
- 11 (13) Kitsap County--sanitary sewer project--install a new outfall  
12 line from its Kingston treatment plan. Other related improvements and  
13 repairs to the plant's outfall system will be made . . . \$2,605,000
- 14 (14) Kitsap County--bridge project--replace an existing bridge.  
15 Utilities will be relocated, fish habitat will be restored, and the old  
16 bridge will be removed. Other related improvements will be  
17 made . . . . . \$897,812
- 18 (15) Lakewood Water District--domestic water project--construct two  
19 water treatment plants and install other related equipment and  
20 materials . . . . . \$1,700,000
- 21 (16) City of Mossyrock--domestic water project--construct a  
22 reservoir and the associated transmission main. Associated equipment  
23 and material will also be installed . . . . . \$286,315
- 24 (17) NE Sammamish Sewer & Water District--sanitary sewer  
25 project--replace sanitary sewer lift station and install equipment,  
26 controls, and material if necessary . . . . . \$2,279,000
- 27 (18) City of Normandy Park--road project--design and construct a  
28 segment of First Avenue South. Associated equipment and material will  
29 be constructed or installed as needed. Bike lanes, curbs, and gutters  
30 will also be constructed . . . . . \$712,139
- 31 (19) City of Port Townsend--sanitary sewer project--replace the  
32 outfall line, construct an effluent pump station, and install related  
33 equipment and materials as needed . . . . . \$1,214,053
- 34 (20) City of Sammamish--road project--widen the roadway to provide  
35 curb, gutter, sidewalks, bicycle lanes, and planter strips on both

1 sides of 228th Avenue. A raised median will be constructed to control  
2 left turns. Other related improvements will be made . . \$10,000,000

3 (21) City of Shoreline--storm sewer project--evaluate, design, and  
4 construct drainage improvements in Third Avenue drainage  
5 sub-basin . . . . . \$1,959,500

6 (22) Skagit County PUD No. 1--domestic water project--enlarge a  
7 reservoir, design and construct a new raw water intake and pump  
8 station, and install controls and telemetry. Other related  
9 improvements and repairs will be made . . . . . \$10,000,000

10 (23) City of South Bend--sanitary sewer project--replace sewer  
11 mains and side sewers to the property lines. Manholes will be repaired  
12 and catch basins will be rehabilitated. Other related improvements  
13 will be made . . . . . \$982,748

14 (24) City of Tacoma--domestic water project--modify the Green River  
15 headworks, construct 42 miles of transmission lines, develop additional  
16 storage, construct fish restoration facilities, construct new water  
17 treatment facilities, and make other related  
18 improvements . . . . . \$10,000,000

19 (25) City of Toppenish--sanitary sewer project--replace sanitary  
20 sewer pipes. Manholes will be replaced and connections to storm drains  
21 will be removed. New drywells will be connected to catch basins. All  
22 roadways affected by the project will be resurfaced. Other related  
23 improvements and repairs will be made . . . . . \$1,207,000

24 (26) Woodinville Water District--domestic water project--replace  
25 water mains. Related improvements including but not limited to access  
26 development, valve replacement, and similar items will be made, and the  
27 roadways will be restored to its original condition . . . \$3,254,000

28 (27) City of Yakima--sanitary sewer project--install sewer pipes  
29 and water mains. Repair or install new manholes, valves, and other  
30 equipment or material . . . . . \$1,466,250

31 Section 2 total . . . . . \$93,593,068

32 Total of sections 1 and 2 . . . . . \$168,095,945

33 NEW SECTION. **Sec. 3.** This act is necessary for the immediate  
34 preservation of the public peace, health, or safety, or support of the

1 state government and its existing public institutions, and takes effect  
2 immediately.

--- END ---
