1 AN ACT Relating to acquiring electricity generation resources; and  
2 adding a new section to chapter 80.28 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 80.28 RCW  
5 to read as follows:

6 At any time prior to a general rate proceeding, an electrical  
7 company may file with the commission information concerning any  
8 decision made by the company to acquire electricity generation  
9 resources. The commission shall by rule adopt standards governing the  
10 filing of such information by electrical companies under this section.  
11 The commission shall consider the information in subsequent rate-making  
12 proceedings, as well as any other information deemed relevant to the  
13 proceedings. Nothing in this section relieves the company of its  
14 burden to prove, based on this or other information, that its  
15 acquisitions of electricity generation resources are reasonable and  
16 prudent for rate-making purposes. For the purposes of this section,

1 "electricity generation resources" includes resources acquired by the  
2 company either by contract or ownership.
