By Senate Committee on Judiciary (originally sponsored by Senators Costa, Roach, Constantine, McCaslin, Fairley, Sheahan, Hargrove, Rasmussen, Kline, Gardner, Eide, Haugen, Franklin, Johnson, McAuliffe and Kohl-Welles)

READ FIRST TIME 01/31/01.

1 AN ACT Relating to adding a victim notification system to the
2 state jail booking and reporting system; amending RCW 36.28A.040;
3 and adding a new section to chapter 36.28A RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 36.28A
6 RCW to read as follows:

7 (1) The Washington association of sheriffs and police chiefs
8 shall integrate a victim notification system into its electronic
9 statewide city and county jail booking and reporting system
10 described in RCW 36.28A.040.

11 (2) At a minimum, the victim notification system shall provide
12 to victims of crime who have made a notification request,
13 notification of information received by the statewide city and
14 county jail booking and reporting system about the release or
15 transfer of an incarcerated person from a local jail, juvenile
16 detention facility, or release from a partial confinement program
17 operated by a city or county.

1 **Sec. 2.** RCW 36.28A.040 and 2000 c 3 s 1 are each amended to read
2 as follows:

3 (1) No later than (~~December 31, 2001~~) July 1, 2002, the
4 Washington association of sheriffs and police chiefs shall
5 implement and operate an electronic statewide city and county jail
6 booking and reporting system. The system shall serve as a central
7 repository and instant information source for offender information
8 and jail statistical data. The system shall be placed on the
9 Washington state justice information network and be capable of
10 communicating electronically with every Washington state city and
11 county jail and with all other Washington state criminal justice
12 agencies as defined in RCW 10.97.030.

13 (2) After the Washington association of sheriffs and police
14 chiefs has implemented an electronic jail booking system as
15 described in subsection (1) of this section, if a city or county
16 jail or law enforcement agency receives state or federal funding
17 to cover the entire cost of implementing or reconfiguring an
18 electronic jail booking system, the city or county jail or law
19 enforcement agency shall implement or reconfigure an electronic
20 jail booking system that is in compliance with the jail booking
21 system standards developed pursuant to subsection (4) of this
22 section.

23 (3) After the Washington association of sheriffs and police
24 chiefs has implemented an electronic jail booking system as
25 described in subsection (1) of this section, city or county jails,
26 or law enforcement agencies that operate electronic jail booking
27 systems, but choose not to accept state or federal money to
28 implement or reconfigure electronic jail booking systems, shall
29 electronically forward jail booking information to the Washington
30 association of sheriffs and police chiefs. At a minimum the
31 information forwarded shall include the name of the offender,
32 vital statistics, the date the offender was arrested, the offenses
33 arrested for, the date and time an offender is released or
34 transferred from a city or county jail, a city or county juvenile
35 detention facility, or a partial confinement program that is
36 operated by a city or county, and if available, the mug shot. The
37 electronic format in which the information is sent shall be at the

1 discretion of the city or county jail, or law enforcement agency
2 forwarding the information. City and county jails or law
3 enforcement agencies that forward jail booking information under
4 this subsection are not required to comply with the standards
5 developed under subsection (4)(b) of this section.

6 (4) The Washington association of sheriffs and police chiefs
7 shall appoint, convene, and manage a statewide jail booking and
8 reporting system standards committee. The committee shall include
9 representatives from the Washington association of sheriffs and
10 police chiefs correction committee, the information service
11 board's justice information committee, the judicial information
12 system, at least two individuals who serve as jailers in a city or
13 county jail, and other individuals that the Washington association
14 of sheriffs and police chiefs places on the committee. The
15 committee shall have the authority to:

16 (a) Develop and amend as needed standards for the statewide
17 jail booking and reporting system and for the information that
18 must be contained within the system. At a minimum, the system shall
19 contain:

20 (i) The offenses the individual has been charged with;

21 (ii) Descriptive and personal information about each offender
22 booked into a city or county jail. At a minimum, this information
23 shall contain the offender's name, vital statistics, address, and
24 mugshot;

25 (iii) Information about the offender while in jail, which could
26 be used to protect criminal justice officials that have future
27 contact with the offender, such as medical conditions, acts of
28 violence, and other behavior problems;

29 (iv) Statistical data indicating the current capacity of each
30 jail and the quantity and category of offenses charged; ~~((and))~~

31 (v) The ability to communicate directly and immediately with
32 the city and county jails and other criminal justice entities; and

33 (vi) The date and time that an offender was released or
34 transferred from a local jail, juvenile detention facility, or
35 released from a partial confinement program operated by a city or
36 county;

37 (b) Develop and amend as needed operational standards for city
38 and county jail booking systems, which at a minimum shall include

1 the type of information collected and transmitted, and the
2 technical requirements needed for the city and county jail booking
3 system to communicate with the statewide jail booking and
4 reporting system;

5 (c) Develop and amend as needed standards for allocating grants
6 to city and county jails or law enforcement agencies that will be
7 implementing or reconfiguring electronic jail booking systems.

8 (5) By January 1, 2001, the standards committee shall complete
9 the initial standards described in subsection (4) of this section,
10 and the standards shall be placed into a report and provided to
11 all Washington state city and county jails, all other criminal
12 justice agencies as defined in RCW 10.97.030, the chair of the
13 Washington state senate human services and corrections committee,
14 and the chair of the Washington state house of representatives
15 criminal justice and corrections committee.
