5 **Sec. 1.** RCW 57.12.010 and 1998 c 121 s 5 are each amended to read
6 as follows:

7 The governing body of a district shall be a board of commissioners
8 consisting of three members, or five or seven members as provided in
9 RCW 57.12.015(~~(, or more, as provided in the event of merger or~~

14 shall be by resolution recorded in a book kept for that purpose which
15 shall be a public record.

16 A district shall provide by resolution for the payment of
17 compensation to each of its commissioners at a rate of seventy dollars
18 for each day or portion thereof devoted to the business of the
19 district. However the compensation for each commissioner shall not

1 exceed six thousand seven hundred twenty dollars per year. In
2 addition, the secretary may be paid a reasonable sum for clerical

17 **Sec. 2.** RCW 57.12.015 and 1996 c 230 s 402 are each amended to

19 (1) In the event a three-member board of commissioners of any
20 district with any number of customers determines by resolution that it
21 would be in the best interest of the district to increase the number of
22 commissioners from three to five, or if the board of a district with
23 any number of customers is presented with a petition signed by ten
24 percent of the registered voters resident within the district who voted
25 in the last general municipal election calling for an increase in the
26 number of commissioners of the district, the board shall submit a
27 resolution to the county auditor requesting that an election be held.
28 Upon receipt of the resolution, the county auditor shall call a special
29 election to be held within the district, at which election a
30 proposition in substantially the following language shall be submitted
31 to the voters:

32 Shall the Board of Commissioners of (name and/or number of
33 district) be increased from three to five members?

34 Yes

35 No

1 If the proposition receives a majority approval at the election the
2 board of commissioners of the district shall be increased to five
3 members.

4 (2) In any district with more than ten thousand customers, if a
5 three-member board of commissioners determines by resolution that it
6 would be in the best interest of the district to increase the number of
7 commissioners from three to five, the number of commissioners shall be
8 so increased without an election, unless within ninety days of adoption
9 of that resolution a petition requesting an election and signed by at
10 least ten percent of the registered voters who voted in the last
11 municipal general election is filed with the board. If such a petition
12 is received, the board shall submit the resolution and the petition to
13 the county auditor, who shall call a special election in the manner
14 described in this section.

15 (3)(a) In any district with more than twenty-five thousand
16 customers, if a five-member board of commissioners determines by
17 resolution that it would be in the best interest of the district to
18 increase the number of commissioners from five to seven, the number of
19 commissioners may be so increased without an election, unless within
20 ninety days of adoption of that resolution a petition requesting an
21 election and signed by at least ten percent of the registered voters
22 who voted in the last municipal general election is filed with the
23 board. If such a petition is received, the board shall submit the
24 resolution and the petition to the county auditor, who shall call a
25 special election in the manner described in this section.

26 (b) In the event a five-member board of commissioners of any
27 district with more than twenty-five thousand customers determines by
28 resolution that it would be in the best interest of the district to
29 increase the number of commissioners from five to seven, the board may
30 submit a resolution to the county auditor requesting that an election
31 be held. Upon receipt of the resolution, the county auditor shall call
32 a special election to be held within the district, at which election a
33 proposition in substantially the following language shall be submitted
34 to the voters:

35 Shall the Board of Commissioners of (name and/or number of
36 district) be increased from five to seven members?

37 Yes

38 No

1 If the proposition receives a majority approval at the election the
2 board of commissioners of the district shall be increased to seven
3 members.

4 (4) The two additional positions created on boards of commissioners
5 by this section shall be filled initially as for a vacancy, except that
6 the appointees shall draw lots, one appointee to serve until the next
7 district general election after the appointment, at which two
8 commissioners shall be elected for six-year terms, and the other
9 appointee to serve until the second district general election after the
10 appointment, at which two commissioners shall be elected for six-year
11 terms.

12 NEW SECTION. Sec. 3. A new section is added to chapter 57.12 RCW
13 to read as follows:

14 (1) Except as provided in RCW 52.14.020, in the event a five-member
15 or seven-member board of commissioners of any district determines by
16 resolution that it would be in the best interest of the district to
17 decrease the number of commissioners from five to three, or from seven
18 to five, or in the event the board is presented with a petition signed
19 by ten percent of the registered voters resident within the district
20 who voted in the last general municipal election calling for such a
21 decrease in the number of commissioners of the district, the board
22 shall submit a resolution to the county auditor. Upon receipt of the
23 resolution, the county auditor shall call a special election to be held
24 within the district at which election the following proposition shall
25 be submitted to the voters substantially as follows:

26 Shall the board of commissioners of (name and/or number of
27 district) be decreased from (five/seven) members to (three/five)
28 members?

29 Yes . . .

30 No . . .

31 If the district has commissioner districts, the commissioners of
32 the district must pass a resolution, before the submission of the
33 proposition to the voters, to either redistrict from five commissioner
34 districts to three commissioner districts, or from seven commissioner
35 districts to five commissioner districts, or eliminate the commissioner
36 districts. The resolution takes effect upon approval of the
37 proposition by the voters.

1 If the proposition receives a majority approval at the election,
2 the board of commissioners of the district shall be decreased to three
3 or five members.

4 (2) The number of members on the board of the district shall be
5 reduced by one whenever a commissioner resigns from office or a vacancy
6 otherwise occurs on the board, until the number of remaining members is
7 reduced to the number of members that is chosen for the board
8 eventually to have. The reduction of membership on the board shall not
9 be considered to be a vacancy that is to be filled until the number of
10 remaining members is less than the number of members on the board that
11 is chosen for the board eventually to have.

12 (3) At the next three district general elections after the
13 reduction is approved, the number of commissioners for the district
14 that are elected shall be as follows, notwithstanding the number of
15 commissioners whose terms expire:

16 (a) In the first election after the reduction, only one position
17 shall be filled.

18 (b) In the second election, one position shall be filled.

19 Thereafter, the commissioners shall be elected in the same manner
20 as prescribed for such districts of the state.

21 **Sec. 4.** RCW 57.12.039 and 1996 c 230 s 404 are each amended to
22 read as follows:

23 (1) Notwithstanding RCW 57.12.020 and 57.12.030, the board of
24 commissioners may provide by majority vote that subsequent
25 commissioners be elected from commissioner districts within the
26 district. If the board exercises this option, it shall divide the
27 district into three, (~~or~~) five, or seven if the number of
28 commissioners has been increased under RCW 57.12.015, commissioner
29 districts of approximately equal population following current precinct
30 and district boundaries.

31 (2) Commissioner districts shall be used as follows: (a) Only a
32 registered voter who resides in a commissioner district may be a
33 candidate for, or serve as, a commissioner of the commissioner
34 district; and (b) only voters of a commissioner district may vote at a
35 primary to nominate candidates for a commissioner of the commissioner
36 district. Voters of the entire district may vote at a general election
37 to elect a person as a commissioner of the commissioner district.

1 Commissioner districts shall be redrawn as provided in chapter 29.70
2 RCW.

3 (3) In districts in which commissioners are nominated from
4 commissioner districts, at the inception of a five-member or a seven-
5 member board of commissioners, the new commissioner districts shall be
6 numbered one through five or one through seven and the ~~((three))~~
7 incumbent commissioners shall represent up to five commissioner
8 districts ~~((one through three))~~ depending on the amount of
9 commissioners. If, as a result of redrawing the district boundaries
10 two or three of the incumbent commissioners reside in one of the new
11 commissioner districts, the commissioners who reside in the same
12 commissioner district shall determine by lot which of the first three
13 or five numbered commissioner districts they shall represent for the
14 remainder of their respective terms. A primary shall be held to
15 nominate candidates from the remaining districts ~~((four and five))~~
16 where necessary and commissioners shall be elected at large at the
17 general election. The persons elected as commissioners from the
18 remaining commissioner districts ~~((four and five))~~ shall take office
19 immediately after qualification as defined under RCW 29.01.135.

20 NEW SECTION. **Sec. 5.** RCW 57.08.110 (Association of
21 commissioners--Purposes--Powers--Expenses) and 1999 c 153 s 13, 1996 c
22 230 s 318, 1995 c 301 s 76, 1973 1st ex.s. c 195 s 68, 1970 ex.s. c 47
23 s 5, & 1961 c 242 s 1 are each repealed.
