2 28B.95.020, 28B.95.110, and 43.79A.040; adding a new section to chapter
3 28B.95 RCW; providing an effective date; and declaring an emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 28B.95.020 and 2000 c 14 s 1 are each amended to read
6 as follows:

7 The definitions in this section apply throughout this chapter,
8 unless the context clearly requires otherwise.

9 (1) "Academic year" means the regular nine-month, three-quarter, or
10 two-semester period annually occurring between July 1st and June 30th.

11 (2) "Account" means the Washington advanced college tuition payment
12 program account established for the deposit of all money received by
13 the board from eligible purchasers and interest earnings on investments
14 of funds in the account, as well as for all expenditures on behalf of
15 eligible beneficiaries for the redemption of tuition units and for
16 operation of any authorized college savings program.

17 (3) "Board" means the higher education coordinating board as
18 defined in chapter 28B.80 RCW.

1 (4) "Committee on advanced tuition payment" or "committee" means a
2 committee of the following members: The state treasurer, the director
3 of the office of financial management, the executive director of the
4 higher education coordinating board, or their designees, and two
5 members to be appointed by the governor, one representing program
6 participants and one private business representative with marketing,
7 public relations, or financial expertise.

8 (5) "Governing body" means the committee empowered by the
9 legislature to administer the Washington advanced college tuition
10 payment program.

11 (6) "Contractual obligation" means a legally binding contract of
12 the state with the purchaser and the beneficiary establishing that
13 purchases of tuition units will be worth the same number of tuition
14 units at the time of redemption as they were worth at the time of the
15 purchase.

16 (7) "Eligible beneficiary" means the person for whom the tuition
17 unit will be redeemed for attendance at an institution of higher
18 education. The beneficiary is that person named by the purchaser at
19 the time that a tuition unit contract is accepted by the governing
20 body. With the exception of tuition unit contracts purchased by
21 qualified organizations as future scholarships, the beneficiary must
22 reside in the state of Washington or otherwise be a resident of the
23 state of Washington at the time the tuition unit contract is accepted
24 by the governing body.

25 (8) "Eligible purchaser" means an individual or organization that
26 has entered into a tuition unit contract with the governing body for
27 the purchase of tuition units for an eligible beneficiary.

28 (9) "Full-time tuition charges" means resident tuition charges at
29 a state institution of higher education for enrollments between ten
30 credits and eighteen credit hours per academic term.

31 (10) "Institution of higher education" means an institution that
32 offers education beyond the secondary level and is recognized by the
33 internal revenue service under chapter 529 of the internal revenue
34 code.

36 in chapter 43.33A RCW.

37 (12) "State institution of higher education" means institutions of
38 higher education as defined in RCW 28B.10.016.

1 (13) "Tuition and fees" means undergraduate tuition and services
2 and activities fees as defined in RCW 28B.15.020 and 28B.15.041 rounded
3 to the nearest whole dollar. The maximum tuition and fees charges
4 recognized for beneficiaries enrolled in a state technical college
5 shall be equal to the tuition and fees for the community college
6 system.

7 (14) "Tuition unit contract" means a contract between an eligible
8 purchaser and the governing body, or a successor agency appointed for
9 administration of this chapter, for the purchase of tuition units for
10 a specified beneficiary that may be redeemed at a later date for an
11 equal number of tuition units.

12 (15) "Unit purchase price" means the minimum cost to purchase one
13 tuition unit for an eligible beneficiary. Generally, the minimum
14 purchase price is one percent of the undergraduate weighted average
15 tuition and fees for the current year, rounded to the nearest whole
16 dollar, adjusted for the costs of administration and adjusted to ensure
17 the actuarial soundness of the account. The analysis for price setting
18 shall also include, but not be limited to consideration of past and
19 projected patterns of tuition increases, program liability, past and
20 projected investment returns, and the need for a prudent stabilization
21 reserve.

22 (16) "Weighted average tuition" shall be calculated as the sum of
23 the undergraduate tuition and services and activities fees for each
24 four-year state institution of higher education, multiplied by the
25 respective full-time equivalent student enrollment at each institution
26 divided by the sum total of undergraduate full-time equivalent student
27 enrollments of all four-year state institutions of higher education,
28 rounded to the nearest whole dollar.

29 (17) "Weighted average tuition unit" is the value of the weighted
30 average tuition and fees divided by one hundred. The weighted average
31 is the basis upon which tuition benefits ((are)) may be calculated
32 ((for graduate program enrollments and for attendance at nonstate
33 institutions of higher education and is)) as the basis for any refunds
34 provided from the program.

35 NEW SECTION. Sec. 2. A new section is added to chapter 28B.95 RCW
36 to read as follows:

37 (1) The committee may establish a college savings program. If such
38 a program is established, the college savings program shall be

1 established, in such form as may be determined by the committee, to be
2 a qualified state tuition program as defined by the internal revenue
3 service under section 529 of the internal revenue code, and shall be
4 administered in a manner consistent with the Washington advanced
5 college tuition payment program. The committee, in planning and
6 devising the program, shall consult with the state investment board,
7 the state treasurer, a qualified actuarial consulting firm with
8 appropriate expertise to evaluate such plans, and the institutions of
9 higher education.

10 (2) If such a college savings program is established, the college
11 savings program account is created in the custody of the state
12 treasurer for the purpose of administering the college savings program.
13 If created, the account shall be a discrete nontreasury account in the
14 custody of the state treasurer. Interest earnings shall be retained in
15 accordance with RCW 43.79A.040. Disbursements from the account, except
16 for program administration, are exempt from appropriations and the
17 allotment provisions of chapter 43.88 RCW. Money used for program
18 administration is subject to the allotment provisions, but without
19 appropriation.

20 (3) The committee, after consultation with the state investment
21 board, shall determine the investment policies for the college savings
22 program. Program contributions may be invested by the state investment
23 board or the committee may contract with an investment company licensed
24 to conduct business in this state to do the investing. The committee
25 shall keep or cause to be kept full and adequate accounts and records
26 of the assets of each individual participant in the college savings
27 program.

28 (4) Neither the state nor any eligible educational institution may
29 be considered or held to be an insurer of the funds or assets of the
30 individual participant accounts in the college savings program created
31 under this section nor may any such entity be held liable for any
32 shortage of funds in the event that balances in the individual
33 participant accounts are insufficient to meet the educational expenses
34 of the institution chosen by the student for which the individual
35 participant account was intended.

36 (5) The committee shall adopt rules to implement this section.
37 Such rules shall include but not be limited to administration,
38 investment management, promotion, and marketing; compliance with
39 internal revenue service standards; application procedures and fees;

1 start-up costs; phasing in the savings program and withdrawals
2 therefrom; deterrents to early withdrawals and provisions for hardship
3 withdrawals; and reenrollment in the savings program after withdrawal.

4 (6) The committee may, at its discretion, determine to cease
5 operation of the college savings program if it determines the
6 continuation is not in the best interest of the state. The committee
7 shall adopt rules to implement this section addressing the orderly
8 distribution of assets.

9 **Sec. 3.** RCW 28B.95.110 and 2000 c 14 s 8 are each amended to read
10 as follows:

11 (1) The intent of the Washington advanced college tuition payment
12 program is to redeem tuition units for attendance at an institution of
13 higher education. Refunds shall be issued under specific conditions
14 that may include the following:

15 (a) Certification that the beneficiary, who is eighteen years of
16 age or older, will not attend an institution of higher education, will
17 result in a refund not to exceed the current weighted average tuition
18 and fees in effect at the time of such certification minus a penalty at
19 the rate established by the internal revenue service under chapter 529
20 of the internal revenue code. No more than one hundred tuition units
21 may be refunded per year to any individual making this certification.
22 The refund shall be made no sooner than ninety days after such
23 certification, less any administrative processing fees assessed by the
24 governing body;

25 (b) If there is certification of the death or disability of the
26 beneficiary, the refund shall be equal to one hundred percent of any
27 remaining unused tuition units (~~((valued))~~) at the current (~~((weighted~~
28 ~~average tuition units))~~) value, as determined by the governing body, at
29 the time that such certification is submitted to the governing body,
30 less any administrative processing fees assessed by the governing body;

31 (c) If there is certification by the student of graduation or
32 program completion, the refund shall be as great as one hundred percent
33 of any remaining unused (~~((weighted average))~~) tuition units at the
34 current value, as determined by the governing body, at the time that
35 such certification is submitted to the governing body, less any
36 administrative processing fees assessed by the governing body. The
37 governing body may, at its discretion, impose a penalty if needed to
38 comply with federal tax rules;

1 (d) If there is certification of other tuition and fee
2 scholarships, which will cover the cost of tuition for the eligible
3 beneficiary. The refund shall be equal to one hundred percent of the
4 current (~~weighted average~~) value of tuition units, as determined by
5 the governing body, in effect at the time of the refund request,
6 (~~plus~~) less any administrative processing fees assessed by the
7 governing body. The refund under this subsection may not exceed the
8 value of the scholarship;

9 (e) Incorrect or misleading information provided by the purchaser
10 or beneficiaries may result in a refund of the purchaser's investment,
11 less any administrative processing fees assessed by the governing body.
12 The value of the refund will not exceed the actual dollar value of the
13 purchaser's contributions; and

14 (f) The governing body may determine other circumstances qualifying
15 for refunds of remaining unused tuition units and may determine the
16 value of that refund.

17 (2) With the exception of subsection (1)(b), (e), and (f) of this
18 section no refunds may be made before the units have been held for two
19 years.
