
SENATE BILL 6510

State of Washington 58th Legislature 2004 Regular Session

By Senators Swecker, Rasmussen, Haugen and Parlette

Read first time 01/22/2004. Referred to Committee on Agriculture.

1 AN ACT Relating to farms for the future of Washington; reenacting
2 and amending RCW 43.79A.040; and adding new sections to chapter 15.04
3 RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 15.04 RCW
6 to read as follows:

7 The legislature finds that, to better attain the interdependent
8 goals of continued existence of farmland and the economic viability of
9 farms for the future of Washington, state government needs to
10 affirmatively position itself to take maximum advantage of all
11 available federal, regional, state, local, and private sources of
12 funding and programs consistent with achieving these goals.

13 The legislature finds that there are many other societal,
14 environmental, and economic goals affecting farmland and on farming
15 operations as demonstrated by the significant and permanent loss of
16 agricultural lands and farm operations in many regions of the state.
17 The legislature finds that a reasonable degree of accommodation can
18 often be found between agriculture and these other societal,
19 environmental, and economic pressures but such an accommodation

1 requires a thorough understanding of the effects and opportunities to
2 achieve an accommodation without further jeopardizing continued
3 existence and viability of farms in the process.

4 Because of this growing understanding, funding for several programs
5 are being offered by the federal, regional, state, local, and private
6 sources to enhance the opportunity of farms to exist, farmers to be
7 economically viable, and farms to provide enhanced fish and wildlife
8 habitat on private lands while retaining continued agricultural use.

9 The legislature finds that the competitive marketplace for
10 agricultural products is becoming more international and that the
11 continued existence of a viable agricultural sector in Washington state
12 depends on the feasibility of farms to compete successfully with its
13 competitors.

14 NEW SECTION. **Sec. 2.** A new section is added to chapter 15.04 RCW
15 to read as follows:

16 The farms for the future of Washington account is created in the
17 custody of the state treasurer. Revenues to the account shall consist
18 of appropriations made by the legislature or other federal, regional,
19 local, or private funds that are suitable to further the purposes of
20 section 1 of this act. Only the director or the director's designee
21 may authorize expenditures from the account. Up to five percent of the
22 funds placed into the account may be used for administrative costs.
23 State funds appropriated into the account are subject to allotment
24 procedures under chapter 43.88 RCW, but an appropriation is not
25 required for expenditures.
