The department shall prescribe by regulation fees to be paid for preparing sealed files and for opening sealed files.

No fee may be demanded or required for furnishing certified copies of a birth, death, fetal death, marriage, divorce, annulment, or legal separation record for use in connection with a claim for compensation or pension pending before the veterans administration. No fee may be demanded or required for furnishing certified copies of a death certificate of a sex offender for use by a law enforcement agency in maintaining a registered sex offender data base.
The department shall keep a true and correct account of all fees received and transmit the fees to the state treasurer on a weekly basis.

Local registrars shall charge the same fees as the state as hereinabove provided and as prescribed by department regulation, except that local registrars shall charge thirteen dollars for the first copy of a death certificate and eight dollars for each additional copy of the same death certificate when the additional copies are ordered at the same time as the first copy. All such fees collected, except for five dollars of each fee for the issuance of a certified copy, shall be paid to the jurisdictional health department.

All local registrars in cities and counties shall keep a true and correct account of all fees received under this section for the issuance of certified copies and shall transmit five dollars of the fee to the state treasurer on or before the first day of January, April, July, and October.
