1 AN ACT Relating to basic health care plan enrollment; amending RCW
2 43.72.900; creating a new section; and declaring an emergency.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 43.72.900 and 2002 c 371 s 909 and 2002 c 2 s 2
5 (Initiative Measure No. 773) are each amended to read as follows:

6 (1) The health services account is created in the state treasury.
7 Moneys in the account may be spent only after appropriation. Subject
8 to the transfers described in subsection (3) of this section, moneys in
9 the account may be expended only for maintaining and expanding health
10 services access for low-income residents, maintaining and expanding the
11 public health system, maintaining and improving the capacity of the
12 health care system, containing health care costs, and the regulation,
13 planning, and administering of the health care system.

14 (2) Funds deposited into the health services account under RCW
15 82.24.028 and 82.26.028 shall be used solely as follows:

16 (a) Five million dollars for the state fiscal year beginning July
17 1, 2002, and five million dollars for the state fiscal year beginning
18 July 1, 2003, shall be appropriated by the legislature for programs
19 that effectively improve the health of low-income persons, including

1 efforts to reduce diseases and illnesses that harm low-income persons.
2 The department of health shall submit a report to the legislature on
3 March 1, 2002, evaluating the cost-effectiveness of programs that
4 improve the health of low-income persons and address diseases and
5 illnesses that disproportionately affect low-income persons, and making
6 recommendations to the legislature on which of these programs could
7 most effectively utilize the funds appropriated under this subsection.

8 (b) Ten percent of the funds deposited into the health services
9 account under RCW 82.24.028 and 82.26.028 remaining after the
10 appropriation under (a) of this subsection shall be transferred no less
11 frequently than annually by the treasurer to the tobacco prevention and
12 control account established by RCW 43.79.480. The funds transferred
13 shall be used exclusively for implementation of the Washington state
14 tobacco prevention and control plan and shall be used only to
15 supplement, and not supplant, funds in the tobacco prevention and
16 control account as of January 1, 2001, however, these funds may be used
17 to replace funds appropriated by the legislature for further
18 implementation of the Washington state tobacco prevention and control
19 plan for the biennium beginning July 1, 2001. For each state fiscal
20 year beginning on and after July 1, 2002, the legislature shall
21 appropriate no less than twenty-six million two hundred forty thousand
22 dollars from the tobacco prevention and control account for

26 health of low-income persons and addressing illnesses and diseases that
27 harm low-income persons, the remainder of the funds deposited into the
28 health services account under RCW 82.24.028 and 82.26.028 shall be
29 appropriated solely for Washington basic health plan enrollment as
