FAILED 2/7/2006

1 On page 4, after line 20, insert the following:

2 "Sec. 4. RCW 49.04.030 and 2001 c 204 s 2 are each amended to
3 read as follows:

4 Subject to the confirmation of the state apprenticeship council
5 by a majority vote, the director of labor and industries shall
6 appoint and deputize an assistant director to be known as the
7 supervisor of apprenticeship. Under the supervision of the
8 director of labor and industries and with the advice and guidance
9 of the apprenticeship council, the supervisor shall: (1) Encourage
10 and promote apprenticeship programs conforming to the standards
11 established under this chapter, and in harmony with the policies of
12 the United States department of labor; (2) act as secretary of the
13 apprenticeship council and of state apprenticeship committees; (3)
14 when authorized by the apprenticeship council, register
15 apprenticeship agreements that are in the best interests of
16 increasing the opportunities for training available to the
17 apprentice and conform with standards established under this
18 chapter; (4) keep a record of apprenticeship agreements and upon
19 successful completion issue certificates of completion of
20 apprenticeship; and (5) terminate or cancel any apprenticeship
21 agreements in accordance with the provisions of the agreements.

22 The supervisor may act to bring about the settlement of
23 differences arising out of the apprenticeship agreement where such
24 differences cannot be adjusted locally. The director of labor and
25 industries is authorized to appoint such other personnel as may be
26 necessary to aid the supervisor of apprenticeship in the execution
27 of the supervisor's functions under this chapter."

28 Correct the title.

EFFECT: Changes the text of current law so that the supervisor of the apprenticeship council must register agreements that are in the best interests of increasing the opportunities for training available to the apprentice instead of the best interests of the apprentice.
