YEAS 87 NAYS 7

FRANK CHOPP

Speaker of the House of Representatives

Approved May 6, 2005.

CHRISTINE GREGOIRE

Governor of the State of Washington

CERTIFICATE

I, Thomas Hoemann, Secretary of the Senate of the State of Washington, do hereby certify that the attached is **ENGROSSED SENATE BILL 5381** as passed by the Senate and the House of Representatives on the dates hereon set forth.

THOMAS HOEMANN

Secretary

FILED

May 6, 2005 - 3:26 p.m.

**Secretary of State
State of Washington**

ENGROSSED SENATE BILL 5381

AS AMENDED BY THE HOUSE

Passed Legislature - 2005 Regular Session

State of Washington **59th Legislature** **2005 Regular Session**

By Senators Kohl-Welles, Parlette, McAuliffe, Pridemore,
Rockefeller, Brown, Rasmussen, Schoesler, Shin, Haugen, Schmidt,
Keiser and Kline; by request of Governor Gregoire

Read first time 01/24/2005. Referred to Committee on Early Learning,
K-12 & Higher Education.

1 AN ACT Relating to the Washington academy of sciences; adding a new
2 chapter to Title 70 RCW; and creating a new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature finds that public policies
5 and programs will be improved when informed by independent scientific
6 analysis and communication with state and local policymakers.
7 Throughout the state there are highly qualified persons in a wide range
8 of scientific disciplines who are willing to contribute their time and
9 expertise in such reviews, but that presently there is lacking an
10 organizational structure in which the entire scientific community may
11 most effectively respond to requests for assessments of complex public
12 policy questions. Therefore it is the purpose of this act to authorize
13 the creation of the Washington academy of sciences as a nonprofit
14 entity independent of government, whose principal mission will be the
15 provision of scientific analysis and recommendations on questions
16 referred to the academy by the governor, the governor's designee, or
17 the legislature.

1 NEW SECTION. **Sec. 2.** The Washington academy of sciences
2 authorized to be formed under section 3 of this act shall serve as a
3 principal source of scientific investigation, examination, and
4 reporting on scientific questions referred to the academy by the
5 governor or the legislature under the provisions of section 4 of this
6 act. Nothing in this section or this chapter supersedes or diminishes
7 the responsibilities performed by scientists employed by the state or
8 its political subdivisions.

9 NEW SECTION. **Sec. 3.** (1) The presidents of the University of
10 Washington and Washington State University shall jointly form and serve
11 as the cochairs of an organizing committee for the purpose of creating
12 the Washington academy of sciences as an independent entity to carry
13 out the purposes of this chapter. The committee should be
14 representative of appropriate disciplines from the academic, private,
15 governmental, and research sectors.

16 (2) Staff from the University of Washington and Washington State
17 University, and from other available entities, shall provide support to
18 the organizing committee under the direction of the cochairs.

19 (3)(a) The committee shall investigate organizational structures
20 that will ensure the participation or membership in the academy of
21 scientists and experts with distinction in their fields, and that will
22 ensure broad participation among the several disciplines that may be
23 called upon in the investigation, examination, and reporting upon
24 questions referred to the academy by the governor or the legislature.

25 (b) The organizational structure shall include a process by which
26 the academy responds to inquiries from the governor or the legislature,
27 including but not limited to the identification of research projects,
28 past or present, at Washington or other research institutions and the
29 findings of such research projects.

30 (4) The committee cochairs shall use their best efforts to form the
31 committee by January 1, 2006, and to complete the committee's review by
32 April 30, 2007. By April 30, 2007, the committee, or such individuals
33 as the committee selects, shall file articles of incorporation to
34 create the academy as a Washington independent organizational entity.
35 The articles shall expressly recognize the power and responsibility of
36 the academy to provide services as described in section 4 of this act
37 upon request of the governor, the governor's designee, or the

1 legislature. The articles shall also provide for a board of directors
2 of the academy that includes distinguished scientists from the range of
3 disciplines that may be called upon to provide such services to the
4 state and its political subdivisions, and provide a balance of
5 representation from the academic, private, governmental, and research
6 sectors.

7 (5) The articles shall provide for all such powers as may be
8 appropriate or necessary to carry out the academy's purposes under this
9 chapter, to the full extent allowable under the proposed organizational
10 structure.

11 NEW SECTION. **Sec. 4.** (1) The academy shall investigate, examine,
12 and report on any subject of science requested by the governor, the
13 governor's designee, or the legislature. The procedures for selecting
14 panels of experts to respond to such requests shall be set forth in the
15 bylaws or other appropriate operating guidelines. In forming review
16 panels, the academy shall endeavor to assure that the panel members
17 have no conflicts of interest and that proposed panelists first
18 disclose any advocacy positions or financial interest related to the
19 questions to be addressed by the panel that the candidate has held
20 within the past ten years.

21 (2) The governor shall provide funding to the academy for the
22 actual expense of such investigation, examination, and reports. Such
23 funding shall be in addition to state funding assistance to the academy
24 in its initial years of operation as described in section 6 of this
25 act.

26 NEW SECTION. **Sec. 5.** The academy may carry out functions or
27 provide services to its members and the public in addition to the
28 services provided under section 4 of this act, such as public education
29 programs, newsletters, web sites, science fairs, and research
30 assistance.

31 NEW SECTION. **Sec. 6.** The organizational committee shall recommend
32 procedures and funding requirements for receiving and disbursing
33 funding in support of the academy's programs and services in a report
34 to the governor and the appropriate committees of the senate and house
35 of representatives no later than April 30, 2007.

1 NEW SECTION. **Sec. 7.** Sections 1 through 5 of this act constitute
2 a new chapter in Title 70 RCW.

 Passed by the Senate April 16, 2005.

 Passed by the House April 6, 2005.

 Approved by the Governor May 6, 2005.

 Filed in Office of Secretary of State May 6, 2005.
