1 AN ACT Relating to identifying health care providers covered by the
2 retired health care provider liability malpractice insurance program;
3 and amending RCW 43.70.460 and 43.70.470.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 43.70.460 and 2004 c 184 s 1 are each amended to read
6 as follows:

7 (1) The department may establish a program to purchase and maintain
8 liability malpractice insurance for retired primary and specialty care
9 providers who provide ((primary)) health care services to low-income
10 patients. The following conditions apply to the program:

11 (a) ((Primary)) Health care services shall be provided at clinics
12 serving low-income patients that are public or private tax-exempt
13 corporations or other established practice settings as defined by the
14 department;

15 (b) ((Primary)) Health care services provided at the clinics shall
16 be offered to low-income patients based on their ability to pay;

17 (c) Retired ((primary)) health care providers providing health care
18 services shall not receive compensation for their services; and

1 (d) The department shall contract only with a liability insurer
2 authorized to offer liability malpractice insurance in the state.

3 (e) Specialists in this program will be limited to those whose
4 malpractice insurance premiums are comparable to primary care
5 providers.

6 (2) This section and RCW 43.70.470 shall not be interpreted to
7 require a liability insurer to provide coverage to a ((primary)) health
8 care provider should the insurer determine that coverage should not be
9 offered to a ((primary)) health care provider because of past claims
10 experience or for other appropriate reasons.

11 (3) The state and its employees who operate the program shall be
12 immune from any civil or criminal action involving claims against
13 clinics or ((primary)) health care providers that provided health care
14 services under this section and RCW 43.70.470. This protection of
15 immunity shall not extend to any clinic or ((primary)) health care
16 provider participating in the program.

17 (4) The department may monitor the claims experience of retired
18 ((primary)) health care providers covered by liability insurers
19 contracting with the department.
