

HB 2658-S - DIGEST

(AS OF HOUSE 2ND READING 2/11/06)

Requires a statewide data base of ORV trails, ORV sports parks, and other ORV recreation areas open to the general public. The data base must be based on a geographic information system program and include all state and federal lands open for public ORV use. The data base must be available to the public over the committee's internet web site and a link to the data base must be created on web sites operated by all state agencies, other than colleges and universities, that manage recreational land of any nature. The committee shall fund the data base consistent with RCW 46.09.110.
