

**ESSB 6573** - H AMD TO H AMD (H-6013.2/08) **1523**  
By Representative Ericks

**ADOPTED 3/07/2008**

1           On page 2, line 33, after "public safety." insert "Money  
2 distributed from the account shall not supplant existing funds used  
3 for these purposes. For purposes of this subsection, existing  
4 funds means the actual operating expenditures for the calendar year  
5 prior to the first distribution from the account. Actual operating  
6 expenditures excludes lost federal funds, lost or expired state  
7 grants or loans, extraordinary events not likely to reoccur, change  
8 in contract provisions beyond the control of the jurisdiction  
9 receiving the services, and major capital expenditures."

**EFFECT:** Requires that public safety enhancement account moneys distributed to jurisdictions employing members of the Law Enforcement Officers' and Fire Fighters' Retirement System Plan 2 not supplant existing funds used for the same purposes, using actual operating expenses from the prior year excluding specified items including lost federal funds and grants.
