
HOUSE BILL 2058

State of Washington 60th Legislature 2007 Regular Session

By Representatives Kenney, McDermott, McIntire, Ormsby, Lantz and Santos; by request of Secretary of State

Read first time 02/06/2007. Referred to Committee on State Government & Tribal Affairs.

1 AN ACT Relating to the Washington talking book and Braille library;
2 reenacting and amending RCW 43.79A.040; adding new sections to chapter
3 27.04 RCW; and declaring an emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 27.04 RCW
6 to read as follows:

7 The legislature finds that the Washington talking book and Braille
8 library is a statewide public library for Washington residents who
9 cannot read conventional books due to blindness, learning disabilities,
10 or physical disabilities. Using free postage provided by the United
11 States postal service, the Washington talking book and Braille library
12 lends talking books, talking book players, Braille materials, and other
13 items to over eleven thousand patrons located throughout Washington
14 state.

15 The Washington state library has the statutory authority and
16 responsibility for providing these services. The Washington talking
17 book and Braille library is currently operated by the Seattle public
18 library, city of Seattle, through a contract with the Washington state
19 library.

1 The 2003-2005 and 2005-2007 biennial contracts between the city of
2 Seattle and the state library included provisions to study the
3 transition of the Washington talking book and Braille program from the
4 city to the state. A contract to study the transition was funded
5 jointly by the city and the state library.

6 The legislature further finds that chapter 22, Laws of 1993 1st sp.
7 sess. appropriated three million three hundred thousand dollars to
8 purchase and renovate real estate for a permanent home for the
9 Washington talking book and Braille library, a state program, created
10 pursuant to RCW 27.04.045(14). The city of Seattle was entrusted to
11 acquire a building, renovate such building, and provide rent-free space
12 as a permanent home for the library for as long as the state contracts
13 for such services from the Seattle public library. The state of
14 Washington appropriated the three million three hundred thousand
15 dollars so the Seattle public library would provide such services. The
16 state continued to pay the Seattle public library for all operating
17 expenses after the building was occupied. The city of Seattle provided
18 no funding and covenanted that the state funds would be used only for
19 purchase and renovation of a building for the Washington talking book
20 and Braille library. The transaction was memorialized in a memorandum
21 of understanding executed between the city of Seattle and the state of
22 Washington on June 18, 1993.

23 Exercising its power to transfer any created asset from one
24 political subdivision to another, it is the intent of the legislature
25 to transfer all real and personal assets used in the operation of the
26 Washington talking book and Braille library from the city of Seattle to
27 the state of Washington in a manner consistent with *Moses Lake school*
28 *district No. 161, et al., respondents, v. Big Bend community college*
29 *and the state board of community colleges*, 81 Wn.2d 551, 503 P.2d 86
30 (1972). Sections 1 through 3 of this act transfer all real and
31 personal property entrusted to the city of Seattle for the benefit of
32 the Washington talking book and Braille library.

33 To ensure a successful transition of the assets and management of
34 the talking book and Braille library from the city of Seattle to the
35 state, as well as provide for the long-term operation and enhancement
36 of the program, the legislature intends to create the Washington
37 talking book and Braille library account for the purposes prescribed in
38 section 5 of this act. In creating the Washington talking book and

1 Braille library account, the legislature affirms the state's commitment
2 to providing library services to residents who cannot read conventional
3 books due to blindness, learning disabilities, or physical
4 disabilities.

5 NEW SECTION. **Sec. 2.** A new section is added to chapter 27.04 RCW
6 to read as follows:

8 state of Washington the following:

26 Seattle, Washington.

27 NEW SECTION. **Sec. 3.** A new section is added to chapter 27.04 RCW
28 to read as follows:

29 Pursuant to section 2 of this act, the attorney general shall
30 prepare a deed in the name of the state conveying to the state of
31 Washington all of the rights, title, and interest in the real estate
32 described in section 2 of this act and the secretary of state shall

34 the state of Washington thereto, and shall cause to be filed a true and
