13 U.S.C. Sec. 1161 et seq., completion of the standard health
14 questionnaire shall not be a condition of coverage if application for
15 coverage is made within ninety days of exhaustion of continuation
16 coverage. A health carrier shall accept an application without a
17 standard health questionnaire from a person currently covered by such
18 continuation coverage if application is made within ninety days prior
19 to the date the continuation coverage would be exhausted and the
20 effective date of the individual coverage applied for is the date the
21 continuation coverage would be exhausted, or within ninety days
22 thereafter.

23 ~~(d) ((If a person is seeking an individual health benefit plan due
24 to his or her receiving notice that his or her coverage under a
25 conversion contract is discontinued, completion of the standard health
26 questionnaire shall not be a condition of coverage if application for
27 coverage is made within ninety days of discontinuation of eligibility
28 under the conversion contract. A health carrier shall accept an
29 application without a standard health questionnaire from a person
30 currently covered by such conversion contract if application is made
31 within ninety days prior to the date eligibility under the conversion
32 contract would be discontinued and the effective date of the individual
33 coverage applied for is the date eligibility under the conversion
34 contract would be discontinued, or within ninety days thereafter.~~

35 (e)) If a person is seeking an individual health benefit plan and,
36 but for the number of persons employed by his or her employer, would
37 have qualified for continuation coverage provided under 29 U.S.C. Sec.
38 1161 et seq., completion of the standard health questionnaire shall not

1 be a condition of coverage if: (i) Application for coverage is made
2 within ninety days of a qualifying event as defined in 29 U.S.C. Sec.
3 1163; and (ii) the person had at least twenty-four months of continuous
4 group coverage immediately prior to the qualifying event. A health
5 carrier shall accept an application without a standard health
6 questionnaire from a person with at least twenty-four months of
7 continuous group coverage if application is made no more than ninety
8 days prior to the date of a qualifying event and the effective date of
9 the individual coverage applied for is the date of the qualifying
10 event, or within ninety days thereafter.

11 (2) If, based upon the results of the standard health
12 questionnaire, the person qualifies for coverage under the Washington
13 state health insurance pool, the following shall apply:

14 (a) The carrier may decide not to accept the person's application
15 for enrollment in its individual health benefit plan; and

16 (b) Within fifteen business days of receipt of a completed
17 application, the carrier shall provide written notice of the decision
18 not to accept the person's application for enrollment to both the
19 person and the administrator of the Washington state health insurance
20 pool. The notice to the person shall state that the person is eligible
21 for health insurance provided by the Washington state health insurance
22 pool, and shall include information about the Washington state health
23 insurance pool and an application for such coverage. If the carrier
24 does not provide or postmark such notice within fifteen business days,
25 the application is deemed approved.

26 (3) If the person applying for an individual health benefit plan:

27 (a) Does not qualify for coverage under the Washington state health
28 insurance pool based upon the results of the standard health
29 questionnaire; (b) does qualify for coverage under the Washington state
30 health insurance pool based upon the results of the standard health
31 questionnaire and the carrier elects to accept the person for
32 enrollment; or (c) is not required to complete the standard health
33 questionnaire designated under this chapter under subsection (1)(a) or
34 (b) of this section, the carrier shall accept the person for enrollment
35 if he or she resides within the carrier's service area and provide or
36 assure the provision of all covered services regardless of age, sex,
37 family structure, ethnicity, race, health condition, geographic
38 location, employment status, socioeconomic status, other condition or

1 situation, or the provisions of RCW 49.60.174(2). The commissioner may
2 grant a temporary exemption from this subsection if, upon application
3 by a health carrier, the commissioner finds that the clinical,
4 financial, or administrative capacity to serve existing enrollees will
5 be impaired if a health carrier is required to continue enrollment of
6 additional eligible individuals.

7 **Sec. 14.** RCW 48.22.030 and 2006 c 187 s 1, 2006 c 110 s 1, and
8 2006 c 25 s 17 are each reenacted and amended to read as follows:

9 (1) "Underinsured motor vehicle" means a motor vehicle with respect
10 to the ownership, maintenance, or use of which either no bodily injury
11 or property damage liability bond or insurance policy applies at the
12 time of an accident, or with respect to which the sum of the limits of
13 liability under all bodily injury or property damage liability bonds
14 and insurance policies applicable to a covered person after an accident
15 is less than the applicable damages which the covered person is legally
16 entitled to recover.

17 (2) No new policy or renewal of an existing policy insuring against
18 loss resulting from liability imposed by law for bodily injury, death,
19 or property damage, suffered by any person arising out of the
20 ownership, maintenance, or use of a motor vehicle shall be issued with
21 respect to any motor vehicle registered or principally garaged in this
22 state unless coverage is provided therein or supplemental thereto for
23 the protection of persons insured thereunder who are legally entitled
24 to recover damages from owners or operators of underinsured motor
25 vehicles, hit-and-run motor vehicles, and phantom vehicles because of
26 bodily injury, death, or property damage, resulting therefrom, except
27 while operating or occupying a motorcycle or motor-driven cycle, and
28 except while operating or occupying a motor vehicle owned or available
29 for the regular use by the named insured or any family member, and
30 which is not insured under the liability coverage of the policy. The
31 coverage required to be offered under this chapter is not applicable to
32 general liability policies, commonly known as umbrella policies, or
33 other policies which apply only as excess to the insurance directly
34 applicable to the vehicle insured.

35 (3) Except as to property damage, coverage required under
36 subsection (2) of this section shall be in the same amount as the
37 insured's third party liability coverage unless the insured rejects all

1 or part of the coverage as provided in subsection (4) of this section.
2 Coverage for property damage need only be issued in conjunction with
3 coverage for bodily injury or death. Property damage coverage required
4 under subsection (2) of this section shall mean physical damage to the
5 insured motor vehicle unless the policy specifically provides coverage
6 for the contents thereof or other forms of property damage.

7 (4) A named insured or spouse may reject, in writing, underinsured
8 coverage for bodily injury or death, or property damage, and the
9 requirements of subsections (2) and (3) of this section shall not
10 apply. If a named insured or spouse has rejected underinsured
11 coverage, such coverage shall not be included in any supplemental or
12 renewal policy unless a named insured or spouse subsequently requests
13 such coverage in writing. The requirement of a written rejection under
14 this subsection shall apply only to the original issuance of policies
15 issued after July 24, 1983, and not to any renewal or replacement
16 policy. When a named insured or spouse chooses a property damage
17 coverage that is less than the insured's third party liability coverage
18 for property damage, a written rejection is not required.

19 (5) The limit of liability under the policy coverage may be defined
20 as the maximum limits of liability for all damages resulting from any
21 one accident regardless of the number of covered persons, claims made,
22 or vehicles or premiums shown on the policy, or premiums paid, or
23 vehicles involved in an accident.

24 (6) The policy may provide that if an injured person has other
25 similar insurance available to him under other policies, the total
26 limits of liability of all coverages shall not exceed the higher of the
27 applicable limits of the respective coverages.

28 (7)(a) The policy may provide for a deductible of not more than
29 three hundred dollars for payment for property damage when the damage
30 is caused by a hit-and-run driver or a phantom vehicle.

31 (b) In all other cases of underinsured property damage coverage,
32 the policy may provide for a deductible of not more than one hundred
33 dollars.

34 (8) For the purposes of this chapter, a "phantom vehicle" shall
35 mean a motor vehicle which causes bodily injury, death, or property
36 damage to an insured and has no physical contact with the insured or
37 the vehicle which the insured is occupying at the time of the accident
38 if:

1 (a) The facts of the accident can be corroborated by competent
2 evidence other than the testimony of the insured or any person having
3 an underinsured motorist claim resulting from the accident; and

4 (b) The accident has been reported to the appropriate law
5 enforcement agency within seventy-two hours of the accident.

6 (9) An insurer who elects to write motorcycle or motor-driven cycle
7 insurance in this state must provide information to prospective
8 insureds about the coverage.

9 (10) An insurer who elects to write motorcycle or motor-driven
10 cycle insurance in this state must provide an opportunity for named
11 insureds, who have purchased liability coverage for a motorcycle or
12 motor-driven cycle, to reject underinsured coverage for that motorcycle
13 or motor-driven cycle in writing.

14 (11) If the covered person seeking underinsured motorist coverage
15 under this section was the intended victim of the tort feisor, the
16 incident must be reported to the appropriate law enforcement agency and
17 the covered person must cooperate with any related law enforcement
18 investigation.

19 (12) The purpose of this section is to protect innocent victims of
20 motorists of underinsured motor vehicles. Covered persons are entitled
21 to coverage without regard to whether an incident was intentionally
22 caused. However, a person is not entitled to coverage if the insurer
23 can demonstrate that the covered person intended to cause the
24 ((damage)) event for which ((underinsured motorists' coverage is
25 sought)) a claim is made under the coverage described in this section.
26 As used in this section, and in the section of policies providing the
27 underinsured motorist coverage described in this section, "accident"
28 means an occurrence that is unexpected and unintended from the
29 standpoint of the covered person.

30 (13) "Underinsured coverage," for the purposes of this section,
31 means coverage for "underinsured motor vehicles," as defined in
32 subsection (1) of this section.
