6 each reenacted and amended to read as follows:

7 As used in this chapter, unless a different meaning is plainly
8 required by the context:

16 together with the regular interest thereon.

18 computed upon the basis of such mortality tables and regulations as
19 shall be adopted by the director and regular interest.

4 contributions of members are held.

10 chapter resulting from service rendered to an employer by another
11 person.

12 (6) "Contract" means any agreement for service and compensation
13 between a member and an employer.

23 member of the retirement system for personal services rendered during
24 a fiscal year. In all cases where compensation includes maintenance

33 following actual or imputed payments, which are not paid for personal
34 services:

38 awarded or granted as the equivalent of the salary or wages which the

1 individual would have earned during a payroll period shall be
2 considered earnable compensation and the individual shall receive the
3 equivalent service credit.

4 (B) If a leave of absence, without pay, is taken by a member for
5 the purpose of serving as a member of the state legislature, and such
6 member has served in the legislature five or more years, the salary
7 which would have been received for the position from which the leave of
8 absence was taken shall be considered as compensation earnable if the
9 employee's contribution thereon is paid by the employee. In addition,
10 where a member has been a member of the state legislature for five or
11 more years, earnable compensation for the member's two highest
12 compensated consecutive years of service shall include a sum not to

32 who have received full-time service credit.
