

2SHB 1081 - H AMD 244

By Representative Herrera

FAILED 3/09/2009

1 On page 3, line 26, after "repair." insert "Any assessments for
2 maintenance and repair after the initial indebtedness is retired may
3 be levied only with the approval of a majority of the property owners
4 within the local improvement district."
5

EFFECT: Requires a majority of the property owners within a local improvement district to approve assessments for maintenance and repair after the initial indebtedness related to the railroad grade crossing protection devices is retired.
