1 AN ACT Relating to membership in the public employees' retirement
2 system; reenacting and amending RCW 41.40.023; and declaring an
3 emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 41.40.023 and 2005 c 151 s 12 and 2005 c 131 s 7 are
6 each reenacted and amended to read as follows:

7 Membership in the retirement system shall consist of all regularly
8 compensated employees and appointive and elective officials of
9 employers, as defined in this chapter, with the following exceptions:

10 (1) Persons in ineligible positions;

11 (2) Employees of the legislature except the officers thereof
12 elected by the members of the senate and the house and legislative
13 committees, unless membership of such employees be authorized by the
14 said committee;

15 (3)(a) Persons holding elective offices or persons appointed
16 directly by the governor: PROVIDED, That such persons shall have the
17 option of applying for membership during such periods of employment:
18 AND PROVIDED FURTHER, That any persons holding or who have held
19 elective offices or persons appointed by the governor who are members

1 in the retirement system and who have, prior to becoming such members,
2 previously held an elective office, and did not at the start of such
3 initial or successive terms of office exercise their option to become
4 members, may apply for membership to be effective during such term or
5 terms of office, and shall be allowed to establish the service credit
6 applicable to such term or terms of office upon payment of the employee
7 contributions therefor by the employee with interest as determined by
8 the director and employer contributions therefor by the employer or
9 employee with interest as determined by the director: AND PROVIDED
10 FURTHER, That all contributions with interest submitted by the employee
11 under this subsection shall be placed in the employee's individual
12 account in the employee's savings fund and be treated as any other
13 contribution made by the employee, with the exception that any
14 contributions submitted by the employee in payment of the employer's
15 obligation, together with the interest the director may apply to the
16 employer's contribution, shall not be considered part of the member's
17 annuity for any purpose except withdrawal of contributions;

18 (b) A member holding elective office who has elected to apply for
19 membership pursuant to (a) of this subsection and who later wishes to
20 be eligible for a retirement allowance shall have the option of ending
21 his or her membership in the retirement system. A member wishing to
22 end his or her membership under this subsection must file, on a form

29 (4) Employees holding membership in, or receiving pension benefits
30 under, any retirement plan operated wholly or in part by an agency of
31 the state or political subdivision thereof, or who are by reason of
32 their current employment contributing to or otherwise establishing the
33 right to receive benefits from any such retirement plan except as
34 follows:

35 (a) In any case where the retirement system has in existence an
36 agreement with another retirement system in connection with exchange of
37 service credit or an agreement whereby members can retain service

1 credit in more than one system, such an employee shall be allowed
2 membership rights should the agreement so provide;

3 (b) An employee shall be allowed membership if otherwise eligible
4 while receiving survivor's benefits;

5 (c) An employee shall not either before or after June 7, 1984, be
6 excluded from membership or denied service credit pursuant to this
7 subsection solely on account of: (i) Membership in the plan created
8 under chapter 2.14 RCW; or (ii) enrollment under the relief and
9 compensation provisions or the pension provisions of the volunteer fire
10 fighters' relief and pension fund under chapter 41.24 RCW;

11 (d) Except as provided in RCW 41.40.109, on or after July 25, 1999,

15 the internal revenue code;

16 (e) Employees who have been reported in the retirement system prior
17 to July 25, 1999, and who participated during the same period of time

32 fee, retainer, or contract basis or when the income from these services
33 is less than fifty percent of the gross income received from the
