

SB 5638-S - DIGEST

(AS OF SENATE 2ND READING 3/11/2009)

Requires any contract between a fire protection district and a government entity, a private person, or a commercial entity to provide for adequate compensation.

Prohibits a fire protection district from providing fire service protection to any government entity or private person or commercial entity outside of their fire district without the expressed consent of the fire district in which the property resides in.
