

HOUSE RESOLUTION NO. 4679, by Representatives Hunter, Sells, Angel, Appleton, Zeiger, Ryu, Darneille, Carlyle, Wylie, McCoy, Hudgins, Maxwell, Hunt, and Roberts

WHEREAS, The arts, including dance, music, theatre, and visual arts, are defined as a core content area in Washington State's definition of basic education, and considered an essential component of the complete education that should be provided for all students; and

WHEREAS, Learning in and through the arts enables students to develop critical thinking and problem solving skills, imagination and creativity, discipline, alternative ways to communicate and express feelings and ideas, and cross-cultural understanding, which supports academic success across the curriculum as well as personal growth outside the classroom; and

WHEREAS, Imagination and creativity are increasingly understood as critical capacities needed for success in life in the 21st century, and students learn these skills through meaningful learning in the arts; and

WHEREAS, The arts can bring other academic subjects to life and that the integration of the arts within the broader academic curriculum, including reading, mathematics, science, and social studies, can enhance student engagement, extend student learning, and deepen student understanding of all the academic content areas; and

WHEREAS, The arts can transform our schools into havens of creativity and exploration, specifically places where students want to learn, teachers want to teach, and all members of the learning community are more engaged and motivated; and

WHEREAS, We applaud the efforts and dedication of educators and advocates around the state, and we call for school and community leaders to continue to broaden and strengthen their arts education focus in order to ensure equity of access to arts learning for all students;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives recognize those who bring and introduce the arts to our children and encourages all communities to celebrate and strengthen education of the arts in our schools.
