7 The board shall:

9 hearing functions as provided by law;

10 (2) Establish policies to ensure that the acquisition, management,
11 and disposition of all lands and resources within the department's
12 jurisdiction are based on sound principles designed to achieve the
13 maximum effective development and use of such lands and resources
14 consistent with laws applicable thereto;

15 (3) Constitute the board of appraisers provided for in Article 16,
16 section 2 of the state Constitution;

2 sections 2 through 6 of this act; and

3 (6) Adopt and enforce rules as may be deemed necessary and proper
4 for carrying out the powers, duties, and functions imposed upon it by
5 this chapter.

6 NEW SECTION. Sec. 2. A new section is added to chapter 43.30 RCW
7 to read as follows:

8 The board on geographic names is created to establish a procedure
9 for the retention and formal recognition of existing geographic names;
10 to standardize the procedures for naming or renaming geographical
11 features within the state of Washington; to identify one body as the
12 responsible agency to coordinate this important activity between local,
13 state, and federal agencies; to identify the responsible agency for the
14 purpose of serving the public interest; to avoid the duplication of
15 names for similar features whenever possible; and as far as possible,
16 to retain the significance, spelling, and color of names associated
17 with the early history of Washington.

18 The board on geographic names has the following duties:

19 (1) Establish the official names for the lakes, mountains, streams,
20 places, towns, and other geographic features within the state and the
21 spellings thereof except when a name is specified by law. For the
22 purposes of this subsection, geographic features do not include
23 human-made features or administrative areas such as parks, game
24 reserves, and dams, but do include human-made lakes;

25 (2) Assign names to lakes, mountains, streams, places, towns, and
26 other geographic features in the state for which no generally accepted
27 name has been in use;

28 (3) Cooperate with county commissions, state departments, agencies,
29 the state legislature, and the United States board on geographic names
30 to establish, change, or determine the appropriate names of lakes,
31 mountains, streams, places, towns, and other geographic features for
32 the purposes of eliminating, as far as possible, duplications of place
33 names within the state;

34 (4) Serve as a state of Washington liaison with the United States
35 board on geographic names;

36 (5) Periodically issue a list of names approved by the board on
37 geographic names; and

1 (6) Establish policies to carry out the purposes of this section
2 and sections 3 through 5 of this act.

3 NEW SECTION. **Sec. 3.** A new section is added to chapter 43.30 RCW
4 to read as follows:

5 (1) The board on geographic names shall establish a committee on
6 geographic names to assist the board in performing its duties and to
7 provide broader contextual, public, and tribal participation in naming
8 geographic features in the state. The committee shall report to the
9 board on geographic names and shall consist of:

- 10 (a) The commissioner or representative;
- 11 (b) The state librarian or the librarian's designee;
- 12 (c) The director of the department of archaeology and historic

16 recognized tribal governments. The tribal representative serves a
17 three-year term; and

18 (e) Three members from the public to be appointed by the
19 commissioner. Initial appointments of the public members appointed
20 under this subsection shall be as follows: One member for a one-year
21 term, one member for a two-year term, and one member for a three-year
22 term. Thereafter, each public member shall be appointed for a
23 three-year term.

24 (2) Each member of the committee shall continue in office until a
25 successor is appointed. The commissioner shall serve as chair of the
26 board.

27 NEW SECTION. **Sec. 4.** A new section is added to chapter 43.30 RCW
28 to read as follows:

29 (1) The committee on geographic names shall hold at least two
30 meetings each year, and may hold special meetings as called by the
31 chair or a majority of the members of the committee. All meetings must
32 be open to the public.

33 (a) Notice of all committee meetings shall be as provided in RCW
34 42.30.080. The notice must include the names to be considered by the
35 committee and the names to be adopted by the board on geographic names.

36 (b) Four committee members shall constitute a quorum.

1 (2) The committee shall establish rules for the conduct of its
2 affairs and to carry out the duties of this section.

3 (3) The committee shall cooperate with the United States board on
4 geographic names.

5 (4) The committee shall make reports and recommendations to the
6 board on geographic names following each meeting of the committee.
7 Recommendations regarding adoption of names may only be made following
8 consideration at two committee meetings.

9 (5) In considering the names and spellings of geographic place
10 names, the committee's recommendations to the board on geographic names
11 may only be made after careful deliberation of all available
12 information relating to such names, including the recommendations of
13 the United States board on geographic names.

14 NEW SECTION. **Sec. 5.** A new section is added to chapter 43.30 RCW
15 to read as follows:

16 (1) The board on geographic names shall consider the
17 recommendations made by the committee on geographic names for adoption
18 of names. The board on geographic names must either adopt the name as
19 recommended, or refer the matter back to the committee on geographic
20 names for further review.

21 (2) All geographic names adopted by the board on geographic names
22 shall be published in the Washington State Register.

23 (3) Whenever the board on geographic names has given a name to any
24 lake, stream, place, or other geographic feature within the state, the
25 name must be used in all maps, records, documents, and other
26 publications issued by the state or any of its departments and
27 political subdivisions, and that name is the official name of the
28 geographic feature.

29 NEW SECTION. **Sec. 6.** A new section is added to chapter 43.30 RCW
30 to read as follows:

31 The department of natural resources shall provide secretarial and

2 *June 30, 2011, in the omnibus appropriations act, this act is null and*
3 *void.*

**Sec. 7 was vetoed. See message at end of chapter.*

Passed by the House April 14, 2011.

Passed by the Senate April 12, 2011.

Approved by the Governor May 16, 2011, with the exception of
certain items that were vetoed.

Filed in Office of Secretary of State May 17, 2011.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to Section 7,
Substitute House Bill 1084 entitled:

"AN ACT Relating to creating the board on geographic names."

Substitute House Bill 1084 recognizes the need for a board on
geographic names. Section 7 would declare this act null and void if
funding were not provided specifically for the purposes of this act in
the omnibus appropriations act. Funding for this activity is less
than \$50,000 per biennium and may not appear as a line item in the
omnibus appropriations act.

For this reason I have vetoed Section 7 of Substitute House Bill 1084.

With the exception of Section 7, Substitute House Bill 1084 is
approved."
