16 (2) An agency may not enter into a contract under which the 17 contractor could charge additional costs to the agency, the department, 18 the joint legislative audit and review committee, or the state auditor 19 for access to data generated under the contract. A contractor under 20 such a contract must provide access to data generated under the 21 contract to the contracting agency, the joint legislative audit and 22 review committee, and the state auditor.

To the extent practicable, agencies should enter 23 (3) into 24 performance-based contracts. Performance-based contracts identify 25 expected deliverables and performance measures or outcomes. Bidders who regularly do 6 business with the state shall be permitted to file with the agency an 7 annual performance bond in an amount established by the agency and such 8 9 annual bond shall be acceptable as surety in lieu of furnishing individual bonds. The agency may also require bidders to provide bid 10 bonds conditioned that if a bidder is awarded the contract the bidder 11 will enter into and execute the contract, protest bonds, or other bonds 12 the agency deems necessary. Agencies must adhere to the policies 13 developed by the department regarding the use of protest bonds. 14 All 15 bonds must be filed with the agency on a form acceptable to the agency. 16 Any surety issuing a bond must meet the qualification requirements 17 established by the agency.

18 <u>NEW SECTION.</u> Sec. 22. AUTHORITY TO DEBAR. (1)(a) The director 19 shall provide notice to the contractor of the director's intent to 20 debar with the specific reason for the debarment. The department must 21 establish the debarment process by rule.

(2) The director may debar a contractor based on a finding of oneor more of the following causes:

(a) Conviction for commission of a criminal offense as an incident
 to obtaining or attempting to obtain a public or private contract or
 subcontract, or in the performance of such contract or subcontract;

32 (b) Conviction under state or federal statutes of embezzlement, 33 theft, forgery, bribery, falsification or destruction of records, 34 receiving stolen property, or any other offense indicating a lack of 35 business integrity or business honesty that currently, seriously, and 36 directly affects responsibility as a state contractor; (c) Conviction under state or federal antitrust statutes arising
 out of the submission of bids or proposals;

3 (d) Two or more violations within the previous five years of the 4 federal labor relations act as determined by the national labor 5 relations board or court of competent jurisdiction;

6 (e) Violation of contract provisions, as set forth in this 7 subsection, of a character that is regarded by the director to be so 8 serious as to justify debarment action:

9 (i) Deliberate failure without good cause to perform in accordance 10 with the specifications or within the time limit provided in the 11 contract; or

(ii) A recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts, however the failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor may not be considered to be a basis for debarment;

17 (f) Violation of ethical standards set forth in section 3 of this 18 act; and

(g) Any other cause the director determines to be so serious and compelling as to affect responsibility as a state contractor, including debarment by another governmental entity for any cause listed in regulations.

23 (3) The director must issue a written decision to debar. The 24 decision must:

Except as otherwise exempt, the data 37 must identify the contracting agency, the contractor, the purpose of

the contract, effective dates and periods of performance, the cost of the contract and funding source, any substantive modifications to the contract, and whether the contract was competitively procured or awarded on a sole source basis.

5 (2) The department may conduct audits of its master contracts and 6 convenience contracts to ensure that the contractor is in compliance 7 with the contract terms and conditions, including but not limited to 8 providing only the goods and services specified in the contract at the 9 contract price.
