14 "NEW SECTION. **Sec. 4.** If specific funding for the purposes of this  
15 act, referencing this act by bill or chapter number, is not provided  
16 by June 30, 2014, in the omnibus appropriations act, this act is null  
17 and void."

EFFECT: Rather than requiring each public school to publish a copy of employee collective bargaining agreements (CBAs) on its web site within 30 days of approval or amendment, requires each such school to provide an electronic copy of CBAs to the Washington State School Directors' Association (WSSDA) within 60 days of approval or amendment. Directs the WSSDA to create an internet-based portal, post the CBAs on the portal, and compile specified information from the CBAs into a standardized format, also to be posted on the portal. Adds a null & void clause.
