
SUBSTITUTE HOUSE BILL 2695

State of Washington

63rd Legislature

2014 Regular Session

By House Early Learning & Human Services (originally sponsored by Representatives Kagi, Walsh, Freeman, Senn, Roberts, Pettigrew, Farrell, Ryu, Jinkins, and Bergquist)

READ FIRST TIME 02/05/14.

1 AN ACT Relating to safe sleep practices in child care settings;
2 adding a new section to chapter 43.215 RCW; and creating new sections.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature understands the majority of
5 child fatalities occurring in licensed child care settings are the
6 result of sudden unexpected infant death. The legislature recognizes
7 that maintaining safe sleep practices has the potential to reduce the
8 risk of child fatalities linked to sudden unexpected infant death. The
9 legislature finds that an essential responsibility of a child care
10 provider is to protect the health and safety of children in the
11 provider's care. The legislature finds that clear policies on safe
12 sleep practices can prevent child fatalities. The legislature,
13 therefore, intends to clarify the expectations of child care providers
14 by establishing concrete consequences for not following safe sleep
15 practice rules.

16 NEW SECTION. **Sec. 2.** A new section is added to chapter 43.215 RCW
17 to read as follows:

18 (1) The department shall provide information on safe sleep

1 practices as outlined by the American academy of pediatrics to
2 applicants for child care licensure. When disseminating safe sleep
3 practice information, the department shall take into account the
4 linguistic needs of licensees.

5 (2) A department licensor shall assess for safe sleep practices
6 during all monitoring visits.

7 (3) The first time a provider is found in violation of safe sleep
8 practices a department licensor must complete a compliance agreement
9 with the child care provider. The department licensor must advise the
10 child care provider that failure to comply with safe sleep practices
11 will lead to license revocation.

12 (4) The second time a child care provider is found in violation of
13 safe sleep practices the department shall revoke the child care
14 provider's license.

15 NEW SECTION. **Sec. 3.** This act may be known and cited as the
16 Graham Hazzard act.
