1 AN ACT Relating to allowing nonprofit institutions recognized by
2 the state of Washington to be eligible to participate in the state need
3 grant program; amending RCW 28B.92.030, 28B.105.020, 28B.133.010, and
4 28B.133.050; creating a new section; and providing an effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that Western Governors
7 University-Washington, recognized by the state of Washington under RCW
8 28B.77.240, serves a student population that is nontraditional and
9 geographically diverse. Enrollment in Western Governors University-
10 Washington has grown steadily since 2011 reaching over four thousand
11 three hundred students. These students represent an average age of
12 thirty-seven, sixty-nine percent of whom are classified as underserved,
13 including low-income, ethnic minority, rural, and first-generation
14 students.

15 The legislature also finds that tuition at Western Governors
16 University-Washington has remained static since 2008 at five thousand
17 seven hundred eighty dollars per year.

18 Further, the legislature finds that the population served by
19 Western Governors University-Washington deserves to have access to

1 affordable postsecondary education, including baccalaureate degree-
2 granting institutions. Therefore, the legislature intends to provide
3 access to the state need grant program for eligible students attending
4 Western Governors University-Washington.

5 The legislature also intends that Western Governors University-
6 Washington comply with all reporting requirements established by the
7 student achievement council for state need grant participation,
8 including financial information about students, enrollment, graduation
9 and placement rates, and the institution's standing with its
10 accrediting agency, the Northwest Commission on Colleges and
11 Universities, and the United States department of education.

12 **Sec. 2.** RCW 28B.92.030 and 2012 c 229 s 557 are each amended to
