BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 47.60.322 and 2011 1st sp.s. c 16 s 2 are each amended to read as follows:

(1) The capital vessel replacement account is created in the motor vehicle fund. All revenues generated from the vessel replacement surcharge under RCW 47.60.315(7) and service fees collected by the department of licensing or county auditor or other agent appointed by the director under RCW 46.17.040 must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the construction or purchase of ferry vessels and to pay the principal and interest on bonds authorized for the construction or purchase of ferry vessels. However, expenditures from the account must first be used to support the construction or purchase, including any applicable financing costs, of a ferry vessel with a carrying capacity of at least one hundred forty-four cars.
The state treasurer may not transfer any moneys from the capital vessel replacement account except to the transportation account (nickel account) for debt service on bonds issued for the construction of (A) 144-car class ferry vessels.

((2)) (b) Five dollars for a registration renewal, issuing a transit permit, or any other service under this section.

(2) Service fees collected under this section by the department or county auditor or other agent appointed by the director must be credited to the capital vessel replacement account under RCW 47.60.322.
