

HB 1795 - DIGEST

(AS OF HOUSE 2ND READING 3/11/13)

Requires the state health care authority, the department of social and health services, and the department of health to collaborate to identify goals and benchmarks, while also developing individual agency plans, to: (1) Reduce the incidence of diabetes in the state;

(2) Improve diabetes care; and

(3) Better control medical complications and financial impacts associated with diabetes.
