ADOPTED 02/16/2016

1 On page 4, line 17, after "jurisdiction." insert "The county
2 legislative authority must designate at least one county employee as
3 a point of contact for questions, problems, and other issues relating
4 to group B public water systems. The county legislative authority
5 must provide a notice identifying the county's point of contact to a
6 group B public water system owner and operator upon the system's
7 approval under this section, and either party must notify the other
8 if there is a change in ownership, operator, or the county's point of
9 contact."

EFFECT: Requires county legislative authorities that approve group B public water systems to designate an employee as a point of contact for group B system issues. Requires county legislative authorities to inform group B public water systems of the county's point of contact after approving the system to begin operating or to add connections. Requires a county to alert group B public water systems if the county's point of contact changes, and requires group B public water systems to notify the county if the system owner or operator changes.
