

SSB 5804 - S AMD 128

By Senators Liiias, Roach

ADOPTED 3/6/2015

- 1 On page 4, beginning on line 14, after "a" strike "two or"
- 2 On page 4, at the beginning of line 16, strike all material
- 3 through "code." on line 19
- 4 On page 4, line 33, after "reduce the" insert "disproportionate"

EFFECT: Allows for a multitier process, rather than a two or multitier process, for the review of amendments. Removes the provision about ideas and concepts being introduced during the review of substantial amendments that do not have enough information to be included in substantial amendments to the code. Requires the State Building Code Council to reduce the disproportionate costs imposed by the adoption of the Energy Code on small businesses.
