
HOUSE BILL 1037

State of Washington

64th Legislature

2015 Regular Session

By Representatives Moeller, Ormsby, and Kilduff

Prefiled 12/08/14. Read first time 01/12/15. Referred to Committee on Judiciary.

1 AN ACT Relating to implementing changes to child support based on
2 the child support schedule work group report; amending RCW 26.19.011,
3 26.19.020, 26.19.065, 26.19.075, and 26.19.090; adding a new section
4 to chapter 26.19 RCW; creating a new section; and providing an
5 effective date.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** (1) To comply with the federal requirement
8 that all states review their child support laws every four years, the
9 legislature has mandated that a child support work group be convened
10 every four years to examine current laws, administrative rules, and
11 practices regarding child support.

12 (2) The 2011 child support schedule work group was convened in
13 January and conducted a total of ten in-person meetings and numerous
14 meetings using telephone conference calls. The work group produced a
15 final report and recommendations in September 2011.

16 (3) The work group's September 2011 final report and
17 recommendations contain, among other things, a new economic table
18 based on more current data and a formula for calculating adjustments
19 to take into consideration children not before the court.

20 (4) The legislature intends to implement recommendations made by
21 the 2011 child support schedule work group.

1 **Sec. 2.** RCW 26.19.011 and 2005 c 282 s 35 are each amended to
2 read as follows:

3 Unless the context clearly requires otherwise, the definitions in
4 this section apply throughout this chapter.

5 (1) "Basic child support obligation" means the monthly child
6 support obligation determined from the economic table based on the
7 parties' combined monthly net income and the number of children for
8 whom support is owed.

9 (2) "Child support schedule" means the standards, economic table,
10 worksheets, and instructions, as defined in this chapter.

11 (3) "Court" means a superior court judge, court commissioner, and
12 presiding and reviewing officers who administratively determine or
13 enforce child support orders.

14 (4) "Deviation" means a child support amount that differs from
15 the standard calculation.

16 (5) "Economic table" means the child support table for the basic
17 support obligation provided in RCW 26.19.020.

18 (6) "Instructions" means the instructions developed by the
19 administrative office of the courts pursuant to RCW 26.19.050 for use
20 in completing the worksheets.

21 (7) "Standards" means the standards for determination of child
22 support as provided in this chapter.

23 (8) "Standard calculation" means the presumptive amount of child
24 support owed as determined from the child support schedule before the
25 court makes any adjustments or considers any reasons for deviation.

26 (9) "Support transfer payment" means the amount of money the
27 court orders one parent to pay to another parent or custodian for
28 child support after determination of the standard calculation,
29 adjustments, and deviations. If certain expenses or credits are
30 expected to fluctuate and the order states a formula or percentage to
31 determine the additional amount or credit on an ongoing basis, the
32 term "support transfer payment" does not mean the additional amount
33 or credit.

34 (10) "Worksheets" means the forms developed by the administrative
35 office of the courts pursuant to RCW 26.19.050 for use in determining
36 the amount of child support.

37 (11) "Children not before the court" means children for whom
38 support is not being determined in the current proceeding, but who
39 are the children of one of the parents involved in the proceeding
40 based on a parent-child relationship consistent with RCW 26.26.101,

1 or who are the children of one of the parents based on a court order
2 which established the parent as a de facto parent.

3 **Sec. 3.** RCW 26.19.020 and 2009 c 84 s 1 are each amended to read
4 as follows:

5 ((ECONOMIC TABLE
6 MONTHLY BASIC SUPPORT OBLIGATION
7 PER CHILD
8 KEY: A= AGE 0-11 B= AGE 12-18

9
10 COMBINED
11 MONTHLY ONE TWO
12 NET CHILD CHILDREN
13 INCOME FAMILY FAMILY
14

 A B A B

15
16 For income less than \$1000 the obligation is
17 based upon the resources and living expenses of
18 each household. Minimum support may not be
19 less than \$50 per child per month except when
20 allowed by RCW 26.19.065(2).

6 The economic table is presumptive for combined monthly net
7 incomes up to and including twelve thousand dollars. When combined
8 monthly net income exceeds twelve thousand dollars, the court may
9 exceed the presumptive amount of support set for combined monthly net
10 incomes of twelve thousand dollars upon written findings of fact.

11 **Sec. 4.** RCW 26.19.065 and 2009 c 84 s 2 are each amended to read
12 as follows:

13 (1) **Limit at forty-five percent of a parent's net income.** Neither
14 parent's child support obligation owed for all his or her biological
15 or legal children may exceed forty-five percent of net income except
16 for good cause shown.

17 (a) Each child is entitled to a pro rata share of the income
18 available for support, but the court only applies the pro rata share
19 to the children in the case before the court.

20 (b) Before determining whether to apply the forty-five percent
21 limitation, the court must consider whether it would be unjust to
22 apply the limitation after considering the best interests of the
23 child and the circumstances of each parent. Such circumstances
24 include, but are not limited to, leaving insufficient funds in the
25 custodial parent's household to meet the basic needs of the child,
26 comparative hardship to the affected households, assets or
27 liabilities, and any involuntary limits on either parent's earning
28 capacity including incarceration, disabilities, or incapacity.

29 (c) Good cause includes, but is not limited to, possession of
30 substantial wealth, children with day care expenses, special medical
31 need, educational need, psychological need, and larger families.

32 (2) **Presumptive minimum support obligation.** (a) When a parent's
33 monthly net income is below one hundred twenty-five percent of the
34 federal poverty guideline for a one-person family, a support order of
35 not less than fifty dollars per child per month shall be entered
36 unless the obligor parent establishes that it would be unjust to do
37 so in that particular case. The decision whether there is a

1 sufficient basis to deviate below the presumptive minimum payment
2 must take into consideration the best interests of the child and the
3 circumstances of each parent. Such circumstances can include leaving
4 insufficient funds in the custodial parent's household to meet the
5 basic needs of the child, comparative hardship to the affected
6 households, assets or liabilities, and earning capacity.

7 (b) The basic support obligation of the parent making the
8 transfer payment, excluding health care, day care, and special child-
9 rearing expenses, shall not reduce his or her net income below the
10 self-support reserve of one hundred twenty-five percent of the
11 federal poverty level for a one-person family, except for the
12 presumptive minimum payment of fifty dollars per child per month or
13 when it would be unjust to apply the self-support reserve limitation
14 after considering the best interests of the child and the
15 circumstances of each parent. Such circumstances include, but are not
16 limited to, leaving insufficient funds in the custodial parent's
17 household to meet the basic needs of the child, comparative hardship
18 to the affected households, assets or liabilities, and earning
19 capacity. This section shall not be construed to require monthly
20 substantiation of income.

21 (3) **Income above twelve thousand dollars.** The economic table is
22 presumptive for combined monthly net incomes up to and including
23 twelve thousand dollars. When combined monthly net income exceeds
24 twelve thousand dollars, the court may exceed the presumptive amount
25 of support set for combined monthly net incomes of twelve thousand
26 dollars upon written findings of fact.

27 **Sec. 5.** RCW 26.19.075 and 2009 c 84 s 4 are each amended to read
28 as follows:

29 (1) Reasons for deviation from the standard calculation include
30 but are not limited to the following:

31 (a) **Sources of income and tax planning.** The court may deviate
32 from the standard calculation after consideration of the following:

33 (i) Income of a new spouse or new domestic partner if the parent
34 who is married to the new spouse or in a partnership with a new
35 domestic partner is asking for a deviation based on any other reason.
36 Income of a new spouse or new domestic partner is not, by itself, a
37 sufficient reason for deviation;

38 (ii) Income of other adults in the household if the parent who is
39 living with the other adult is asking for a deviation based on any

1 other reason. Income of the other adults in the household is not, by
2 itself, a sufficient reason for deviation;

3 (iii) Child support actually received from other relationships;

4 (iv) Gifts;

5 (v) Prizes;

6 (vi) Possession of wealth, including but not limited to savings,
7 investments, real estate holdings and business interests, vehicles,
8 boats, pensions, bank accounts, insurance plans, or other assets;

9 (vii) Extraordinary income of a child;

10 (viii) Tax planning considerations. A deviation for tax planning
11 may be granted only if the child would not receive a lesser economic
12 benefit due to the tax planning; or

13 (ix) Income that has been excluded under RCW 26.19.071(4)((~~h~~))
14 (i) if the person earning that income asks for a deviation for any
15 other reason.

16 (b) **Nonrecurring income.** The court may deviate from the standard
17 calculation based on a finding that a particular source of income
18 included in the calculation of the basic support obligation is not a
19 recurring source of income. Depending on the circumstances,
20 nonrecurring income may include overtime, contract-related benefits,
21 bonuses, or income from second jobs. Deviations for nonrecurring
22 income shall be based on a review of the nonrecurring income received
23 in the previous two calendar years.

24 (c) **Debt and high expenses.** The court may deviate from the
25 standard calculation after consideration of the following expenses:

26 (i) Extraordinary debt not voluntarily incurred;

27 (ii) A significant disparity in the living costs of the parents
28 due to conditions beyond their control;

29 (iii) Special needs of disabled children;

30 (iv) Special medical, educational, or psychological needs of the
31 children; or

32 (v) Costs incurred or anticipated to be incurred by the parents
33 in compliance with court-ordered reunification efforts under chapter
34 13.34 RCW or under a voluntary placement agreement with an agency
35 supervising the child.

36 (d) **Residential schedule.** The court may deviate from the standard
37 calculation if the child spends a significant amount of time with the
38 parent who is obligated to make a support transfer payment. The court
39 may not deviate on that basis if the deviation will result in
40 insufficient funds in the household receiving the support to meet the

1 basic needs of the child or if the child is receiving temporary
2 assistance for needy families. When determining the amount of the
3 deviation, the court shall consider evidence concerning the increased
4 expenses to a parent making support transfer payments resulting from
5 the significant amount of time spent with that parent and shall
6 consider the decreased expenses, if any, to the party receiving the
7 support resulting from the significant amount of time the child
8 spends with the parent making the support transfer payment.

9 ~~((e) **Children from other relationships.** The court may deviate~~
10 ~~from the standard calculation when either or both of the parents~~
11 ~~before the court have children from other relationships to whom the~~
12 ~~parent owes a duty of support.~~

13 ~~(i) The child support schedule shall be applied to the mother,~~
14 ~~father, and children of the family before the court to determine the~~
15 ~~presumptive amount of support.~~

16 ~~(ii) Children from other relationships shall not be counted in~~
17 ~~the number of children for purposes of determining the basic support~~
18 ~~obligation and the standard calculation.~~

19 ~~(iii) When considering a deviation from the standard calculation~~
20 ~~for children from other relationships, the court may consider only~~
21 ~~other children to whom the parent owes a duty of support. The court~~
22 ~~may consider court ordered payments of child support for children~~
23 ~~from other relationships only to the extent that the support is~~
24 ~~actually paid.~~

25 ~~(iv) When the court has determined that either or both parents~~
26 ~~have children from other relationships, deviations under this section~~
27 ~~shall be based on consideration of the total circumstances of both~~
28 ~~households. All child support obligations paid, received, and owed~~
29 ~~for all children shall be disclosed and considered.))~~

30 (2) All income and resources of the parties before the court, new
31 spouses or new domestic partners, and other adults in the households
32 shall be disclosed and considered as provided in this section. The
33 presumptive amount of support shall be determined according to the
34 child support schedule. Unless specific reasons for deviation are set
35 forth in the written findings of fact and are supported by the
36 evidence, the court shall order each parent to pay the amount of
37 support determined by using the standard calculation.

38 (3) The court shall enter findings that specify reasons for any
39 deviation or any denial of a party's request for any deviation from
40 the standard calculation made by the court. The court shall not

1 consider reasons for deviation until the court determines the
2 standard calculation for each parent.

3 (4) When reasons exist for deviation, the court shall exercise
4 discretion in considering the extent to which the factors would
5 affect the support obligation.

6 (5) Agreement of the parties is not by itself adequate reason for
7 any deviations from the standard calculation.

8 NEW SECTION. **Sec. 6.** A new section is added to chapter 26.19
9 RCW to read as follows:

10 (1) The court shall make an adjustment to the standard
11 calculation when the obligor has children not before the court,
12 subject to the provisions in this section and the limitations in RCW
13 26.19.065. If the court adjusts the standard calculation, it shall
14 use the whole family formula as provided in this section.

15 (2) The child support schedule must first be applied to the
16 parents and the children before the court to determine the standard
17 amount of support.

18 (3) Children not before the court must not be counted in the
19 number of children for purposes of determining the standard
20 calculation, but must be counted in the adjusted calculation for the
21 obligor parent.

22 (4) Stepchildren are not considered children not before the court
23 but may be considered as a reason to deviate from either the standard
24 or the adjusted calculation of support.

25 (5) When the court has determined that either or both parents
26 have children not before the court, adjustments under this section
27 must be based on considerations of the total circumstances of both
28 households including the children of either parent who do not live in
29 the household of the parents. Both parents shall disclose, and the
30 court shall consider, all child support obligations paid, received,
31 and owed for all children.

32 (6) The court may not adjust the standard calculation on the
33 basis of children not before the court if:

34 (a) Adjusting the standard calculation would result in
35 insufficient funds to meet the basic needs of the children in the
36 receiving household and, when taking into consideration the totality
37 of the circumstances, the application of the adjustment would be
38 unjust;

1 (b) The obligee's net income before receiving the support
2 transfer payment is at or below one hundred twenty-five percent of
3 the federal poverty level guidelines for the obligee's household
4 size, including both children before the court and children not
5 before the court; or

6 (c) It is shown that the obligor parent has not actually paid the
7 child support owed for the obligor's children not before the court
8 who do not live with the obligor, unless there is a reasonable
9 justification for the obligor's nonpayment. When considering whether
10 a reasonable justification exists, the court shall consider the
11 obligor's ability to make full payments of the child support owed for
12 the obligor's children not before the court.

13 (7) The whole family formula requires the court to:

14 (a) Determine the total number of children before the court and
15 the total number of children not before the court for the obligor
16 parent;

17 (b) Determine the monthly basic support obligation from the
18 economic table based on the combined monthly net income of the
19 parents before the court and the obligor's total number of children
20 as determined in (a) of this subsection;

21 (c) Multiply the monthly basic child support obligation by the
22 obligor's proportional share of the combined monthly net income. This
23 amount is the adjusted transfer payment owed by the obligor parent
24 for the children before the court.

25 (8) If the court does not establish the transfer payment at an
26 adjusted calculation determined by this section, the court shall set
27 forth specific findings for the difference in the order of child
28 support.

29 **Sec. 7.** RCW 26.19.090 and 1991 sp.s. c 28 s 7 are each amended
30 to read as follows:

31 (1) The child support schedule shall be advisory and not
32 mandatory for postsecondary educational support.

33 (2)(a) When considering whether to order support for
34 postsecondary educational expenses, the court shall determine whether
35 the child is in fact dependent and is relying upon the parents for
36 the reasonable necessities of life.

37 (b) Before determining the parents' obligations for postsecondary
38 educational support, the court shall consider all grants and
39 scholarships awarded to the child, including work-study opportunities

1 if an actual work-study position is available for the child, and
2 subtract those amounts from the total cost of postsecondary
3 educational support to determine the unmet need for postsecondary
4 educational support.

5 (3) The court shall exercise its discretion when determining
6 whether and for how long to award postsecondary educational support
7 based upon consideration of factors that include but are not limited
8 to the following:

9 (a) Age of the child;

10 (b) The child's needs;

11 (c) The expectations of the parties for their children when the
12 parents were together;

13 (d) The child's prospects, desires, aptitudes, abilities or
14 disabilities;

15 (e) The nature of the postsecondary education sought; ~~((and))~~

16 (f) The parents' level of education, standard of living, and
17 current and future resources~~((Also to be considered are))~~; and

18 (g) The amount and type of support that the child would have been
19 afforded if the parents had stayed together.

20 ~~((+3))~~ (4) If one or both parents saved separately for
21 postsecondary educational support and paid those amounts directly to
22 the educational institution or the child, those amounts should be
23 considered part of the parent's share of postsecondary educational
24 support.

25 (5) The child must enroll in an accredited academic or vocational
26 school, must be actively pursuing a course of study commensurate with
27 the child's vocational goals, and must be in good academic standing
28 as defined by the institution. ~~((The court ordered postsecondary~~
29 ~~educational support shall be automatically suspended during the~~
30 ~~period or periods the child fails to comply with these conditions.~~

31 ~~(+4))~~ (6)(a) Unless the support order provides otherwise, a
32 parent may suspend payment of postsecondary educational support based
33 on the child's failure to be enrolled in an accredited academic or
34 vocational school, failure to actively pursue a course of study
35 commensurate with the child's vocational goals, or failure to be in
36 good academic standing as defined by the institution.

37 (b) The obligation to pay postsecondary educational support
38 remains suspended until the child is in compliance with subsection
39 (5) of this section.

1 (c) If there is a dispute between the parents or between the
2 parent and the child regarding the child's compliance, either parent
3 may file a motion with the court to seek resolution of the dispute,
4 unless the order establishing the obligation to pay postsecondary
5 educational support provides otherwise.

6 (7) The child shall also make available all academic records and
7 grades to both parents as a condition of receiving postsecondary
8 educational support. Each parent shall have full and equal access to
9 the postsecondary education records as provided in RCW 26.09.225.

10 ~~((+5+))~~ (8) The court shall not order the payment of
11 postsecondary educational expenses beyond the child's twenty-third
12 birthday, except for exceptional circumstances, such as mental,
13 physical, or emotional disabilities.

14 ~~((+6+))~~ (9)(a) The court shall direct that either or both
15 parents' payments for postsecondary educational expenses be made
16 directly to the educational institution if feasible.

17 (b) If direct payments are not feasible, then the court in its
18 discretion may order that either or both parents' payments be made
19 directly to the child if the child does not reside with either
20 parent.

21 (c) If the child resides with one of the parents the court may
22 direct that the parent making the postsecondary educational support
23 transfer payments make the payments to the child or to the parent
24 ~~((who has been receiving the support transfer payments))~~ with whom
25 the child is residing. If the child's living situation changes, that
26 change shall be a basis to change the terms of the postsecondary
27 educational support transfer payment to the other parent.

28 (d) If the child's living situation changes so that the child is
29 no longer residing with either parent, both parents shall make the
30 payments to the educational institution, if feasible, or to the
31 child.

32 NEW SECTION. Sec. 8. This act takes effect October 1, 2015.

--- END ---
