3 an expiration date.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 70.125
6 RCW to read as follows:

7 (1) When a law enforcement agency receives a sexual assault
8 examination kit, and consent has been given by the victim or the
9 victim's parent or legal guardian to analyze the kit as part of a
10 sexual assault investigation, the law enforcement agency must, within
11 thirty days of its receipt, submit a request for laboratory
12 examination to the Washington state patrol crime laboratory for

14 that holds an outsourcing agreement with the Washington state patrol.

15 (2) The failure of a law enforcement agency to submit a request
16 for laboratory examination within the time prescribed under this
17 section does not constitute grounds in any criminal proceeding for
18 challenging the validity of a DNA evidence association, and any
19 evidence obtained from the sexual assault examination kit may not be
20 excluded by a court on those grounds.

1 (3) A person accused or convicted of committing a crime against a
2 victim has no standing to object to any failure to comply with the
3 requirements of this section, and the failure to comply with the
4 requirements of this section is not grounds for setting aside the
5 conviction or sentence.

6 (4) Nothing in this section may be construed to create a private
7 right of action or claim on the part of any individual, entity, or
8 agency against any law enforcement agency or any contractor of any
9 law enforcement agency.

10 (5) This section applies prospectively only and not
11 retroactively. It only applies to sexual assault examination kits
